FALL Class Schedule 2021

Fullerton College

Dear Students,

Welcome to the Fall 2021 semester. We are pleased that you have chosen Fullerton College to advance your educational and career goals. At Fullerton College, we strive to provide a learning environment that is welcoming and supportive for all students. For more than 100 years, Fullerton College has provided high-quality academic and career training opportunities for all who seek to further their education. Our faculty and staff are committed to providing learning opportunities and student support in new technologically driven ways.

The past year and the ongoing pandemic have provided us with an opportunity to learn about student needs, including the importance of having flexible schedule options, technology support, and basic needs support for students to pursue their educational goals. As we continue to patiently await a full return to campus, the Fall 2021 class schedule offers a greater variety of courses that offer both in-person and online options. In addition, support resources including laptop loans, free hot meals, and an on-campus study space are available to all students. Safety information is also available at coronavirus.fullcoll.edu.

Whether you are a recent high school graduate, a returning college student or looking to advance your career or pursue a new career, you have come to the right place. Fullerton College is one of the top 20 community colleges for Hispanic students and is recognized as a top transfer institution. If transfer is your goal, I encourage you to take advantage of the resources and support offered through the Fullerton College Transfer Center. Good luck in your studies, and have a wonderful semester!

Sincerely,

A handwritten signature in black ink that reads "Greg Schulz". The signature is fluid and cursive, written over a white background.

Greg Schulz, Ed.D.
President
Fullerton College

On the cover: Fullerton College celebrated the Class of 2020 and the Class of 2021 during a drive-thru commencement celebration on May 22. Nearly 700 graduates enjoyed the festivities with their friends and loved ones.

The North Orange County Community College District (NOCCCD) is part of the California Community College system, one of three segments of public post-secondary education in the state. NOCCCD is governed by seven elected trustees who establish all policies that guide the general operation of the District. Student trustees representing each of the colleges also sit on the board.

Board of Trustees Members are:

Ryan Bent, Stephen T. Blount, Jeffrey P. Brown, Barbara Dunsheath, Ed.D., Ed Lopez,
Jacqueline Rodarte and Evangelina Rosales

Erin Lacorte, Student Trustee, Fullerton College • Meena Pandian, Student Trustee, Cypress College

Cheryl Marshall, Ed.D., Chancellor • Greg Schulz, Ed.D., President, Fullerton College

Mission

Fullerton College advances student learning and achievement by developing flexible pathways for students from our diverse communities who seek educational and career growth, certificates, associate degrees, and transfer. We foster a supportive and inclusive environment for students to be successful learners, responsible leaders, and engaged community members.

Due to the COVID-19 health emergency and continued social distancing restrictions, all courses listed as **ONLINE** or **ZOOM** will require a computer and internet access.

HOW IS COLLEGE DIFFERENT FROM HIGH SCHOOL?

PERSONAL FREEDOM IN HIGH SCHOOL

- ▶ Your time is structured by others.
- ▶ You can count on your parents and teachers to remind you of your responsibilities and to guide you in setting priorities.
- ▶ Guiding principle: you will usually be told what your responsibilities are and corrected if your behavior is out of line.

HIGH SCHOOL CLASSES

- ▶ You spend 6 hours each day — 30 hours per week — in class.
- ▶ Most of your classes are arranged for you.
- ▶ You are not responsible for knowing what it takes to graduate.

HIGH SCHOOL TEACHERS

- ▶ Teachers approach you if they believe you need assistance.
- ▶ Teachers have been trained in teaching methods to assist in imparting knowledge to you, the student.
- ▶ Teachers present materials to help you understand the material in the textbook.
- ▶ Teachers often take time to remind you of assignments and due dates.

STUDYING IN HIGH SCHOOL

- ▶ You may study outside of class as little as zero to two hours a week, and this may be mostly last-minute test preparation.
- ▶ You often need to read or hear presentations only once to learn all you need to learn about them.
- ▶ Guiding principle: You will usually be told in class what you need to learn from assigned readings.

TESTS IN HIGH SCHOOL

- ▶ Make-up tests are often available.
- ▶ Teachers frequently rearrange test dates to avoid conflicts with school events.
- ▶ Testing is frequent and covers small amounts of material.
- ▶ Mastery is usually seen as the **ability to reproduce what you were taught** in the form in which it was presented to you, or to solve the kinds of problems you were shown how to solve.

GRADES IN HIGH SCHOOL

- ▶ Grades are given for most assigned work.
- ▶ Initial test grades, especially when they are low, may not have an adverse effect on your overall grade.
- ▶ Guiding principle: “Effort counts.” Courses are usually structured to reward a “good-faith effort.”

PERSONAL FREEDOM IN COLLEGE

- ▶ You manage your own time.
- ▶ You will be faced with a large number of moral and ethical decisions you have not had to face previously. You must balance your responsibilities and set priorities.
- ▶ Guiding principle: you're old enough to take responsibility for what you do and don't do, as well as for the consequences of your decisions.

COLLEGE CLASSES

- ▶ You spend 12–16 hours each week in class. More time will be spent studying, usually two hours for every one hour of time spent in class; if you take 12 units, you will need 24 hours of studying, or 36 hours a week for class activities.
- ▶ You arrange your own schedule in consultation with a counselor during orientation (new FC students). Schedules tend to look lighter than they really are.
- ▶ Graduation requirements are complex and differ for different majors and sometimes different years. You are expected to know which requirements apply to you.

COLLEGE PROFESSORS

- ▶ Professors are usually open and helpful, but most expect you to initiate contact if you need help or assistance.
- ▶ Professors have been trained as experts in their particular areas of research.
- ▶ Professors may not follow the textbook. Instead to amplify the text, they may give illustrations, provide background information, or discuss research about the topic you are studying. Or, they may expect you to relate to the textbook readings.
- ▶ Professors expect you to read, save, and consult the course syllabus; the syllabus spells out exactly what is expected of you, when it is due, and how it will be graded.

STUDYING IN COLLEGE

- ▶ You need to study at least 2–3 hours outside of class for each hour in class.
- ▶ You need to review class notes and text regularly.
- ▶ Guiding principle: It's up to you to read and understand the assigned material; lectures and assignments proceed from the assumption that you've already done so.

TESTS IN COLLEGE

- ▶ Make-up tests are seldom an option; if they are, you need to request them.
- ▶ Professors in different courses usually schedule tests without regard to the demands of other courses or outside activities.
- ▶ Testing is usually infrequent, often cumulative, covering large amounts of material. You, not the professor, need to organize the material to prepare for the test.
- ▶ Mastery is often seen as the ability to apply what you've learned to new situations or to solve new kinds of problems.

GRADES IN COLLEGE

- ▶ Grades may not be provided for all assigned work.
- ▶ Watch out for your first tests. These are usually “wake-up calls” to let you know what is expected — but they also may account for a substantial part of your course grade. You may be shocked when you get your grades.
- ▶ Guiding principle: “Results count.” Though “good-faith effort” is important in regard to the professor's willingness to help you achieve good results, it will not substitute for results when a professor is giving you a grade.

Eight Steps to Success

1. Apply Online

- ▶ New students go to www.fullcoll.edu
- ▶ Continuing students — no need to re-apply
- ▶ Returning students go to www.fullcoll.edu

2. Apply for Financial Aid

Follow the Steps to Financial Aid at:

- ▶ <https://financialaid.fullcoll.edu/apply/>
- ▶ Apply at <https://studentaid.gov/h/apply-for-aid/fafsa> or <https://dream.csac.ca.gov>
 - If a student completes a FAFSA/CADAA and is eligible for the CCPG, the award will automatically be posted for the student.
 - If a student does not complete the FAFSA/CADAA, they can complete an online CCPG application through **myGateway**. Select Financial Aid and then select California College Promise Grant.
- ▶ Continuing students — Renew your California College Promise Grant (CCPG) for Fall. Spring 2021 CCPG does NOT roll into Fall. You must complete a new 2021–2022 California College Promise Grant.

3. Orientation

- ▶ Available online, no appointment needed
- ▶ Access the orientation through your **myGateway** account: click the “Fullerton” link (left side of page), then click “New and Returning Students” under the “Orientation Links” section, then click the “Fullerton College Orientation” link to start the presentation. For additional information go to https://www.youtube.com/watch?time_continue=2&v=wjcwqY87aOk&feature=emb_logo.htm/.

4. Placement

- ▶ Students are recommended to meet with a counselor for placement options prior to their enrollment in Math, English, Reading, ESL or Chemistry courses.
- ▶ New first-time college students should attend Virtual Group Advising for academic options, placement, and educational planning. <https://counseling.fullcoll.edu/getting-started/new-student-1st-time-in-college/>
- ▶ Math, English and Chemistry 107 F placement is conducted through the use of high school and/or college transcripts, test score results (such as the AP, IB or CAASPP) or other multiple measure process with a counselor.
- ▶ Standardized testing is only being used for ESL placement. Please refer to the link “English, Reading, Math, and ESL Placement Guide” on the Assessment Center website for updated information about the new placement process <http://assessment.fullcoll.edu>.

5. Counseling

- ▶ New first-time college students: attend Virtual Group Advising via Zoom (see Placement, Step 4)
- ▶ Returning and Continuing students: Counselors available remotely (via Zoom or phone)
- ▶ Schedule by calling (714) 992-7084, (press Option #1) or schedule using counseling [Online Chat](#) feature
- ▶ Have high school and/or other college transcripts available for your counseling appointment
- ▶ Create a student educational program plan (SEPP) to know what classes to register for

6. Update Personal Information

- ▶ Access **myGateway** — Check accuracy of email address, mailing address, phone number

7. Register for Classes

- ▶ Registration appointments are posted in **myGateway** under “Registration Tools”
- ▶ Go to www.fullcoll.edu and click the **myGateway** icon to register for classes

8. Pay Your Fees

- ▶ Fees are due when you register for classes
- ▶ Pay by credit card on **myGateway**
- ▶ Check/money order payments can be mailed to the Fullerton College Bursar’s Office
- ▶ Print schedule/bill via **myGateway** for confirmation of registration and payment of classes

Parking Permits

A VALID PARKING PERMIT OR DAY PASS IS REQUIRED AT ALL TIMES, NO EXCEPTIONS

Parking Permits Per Semester: \$40 — Daily Parking Permits: \$3

For the 2021 Fall semester only registered students will have their semester parking permit provided to them free of charge. Students who select a parking permit before July 26, 2021 as part of their online registration process, will have their permit mailed.

Students who select a parking permit after July 25, 2021 should pick up their permit at the Campus Safety Office (Building 1500).

Students should make sure their mailing address is correct and current.

FALL 2021 parking permits are valid August 23, 2021–December 31, 2021.

1. **Permits selected between July 8–July 26, 2021 will be mailed.** In the meantime, students should print out the temporary parking permit that will be emailed to them within 24 hours of purchase and display it face up in the vehicle's driver side, lower left-hand front windshield. If students have not received their permanent parking permit in the mail by August 26, 2021 and their temporary permit has expired, students should report to **Campus Safety Office (Building 1500)** to pick up their permanent parking permit. Valid photo ID must be provided.
2. **Permits selected after July 25, 2021 will NOT be mailed out.** Students should print out the 3-day temporary parking permit that will be emailed to them within 24 hours of purchase and display it face up in the vehicle's driver side, lower left-hand front windshield. Before temporary permit expires, students should report to **Campus Safety Office (Building 1500)** to pick up their permanent parking permit. Valid photo ID must be provided.
3. Motorcycle permits will **NOT** be mailed out and must be picked up at the Campus Safety Office.

Valid parking permits are required in all lots at all times with the following exceptions:

- Parking permits **not required July 6–July 9, 2021 in Lot 10 ONLY**
- Parking permits **not required August 23–August 28, 2021** (in student lots ONLY)

One-day parking permits can be purchased from the yellow parking permit machines located in every student parking lot and the Campus Safety Office.

Students parking in Staff Lots is NOT permitted at any time; violators will be cited.

Office Hours

Monday–Thursday	7:30 am–6:00 pm
Friday	8:00 am–5:00 pm
Saturday and Sunday	CLOSED

*NOTE: All temporary parking permits are emailed. It is the student's responsibility to make sure their email address is correct and to also check both their regular email, spam and/or junk folder.

Refunds

Refer to refund deadlines under REFUND POLICY in this class schedule.

*Parking Permit fees **will not be refunded automatically** thru **myGateway**.

*Refunds for parking must be requested **in person** at the Campus Safety Office (1500 building). Return parking permit with photo ID.

PAY YOUR FEES

- **Fees are due IMMEDIATELY.** Fullerton College **does not bill for unpaid registrations.**
- Pay by credit card on **myGateway**.
- Check/money order payments can be submitted by mail to the Bursar office.
- Due to the COVID-19 campus closure cash payments will not be accepted. We recommend that you mail a check/money order to the Bursar office.
- Print schedule/bill via **myGateway** for confirmation of registration and payment of classes.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (paid from your tax refund).

Registration Appointment Information

FALL 2021

Continuing Students

- Students enrolled in a course for Spring 2021 and *will receive a grade or a W* are considered **Continuing Students** for Fall 2021 and may qualify for priority registration.

 - Not have exceeded 100 units (not including units in basic English, Math, or ESL).
 - Be in good academic standing:
 - Not have been academically dismissed
 - Not have been on probationary status for two consecutive terms
- If the above requirements have been met, registration appointments will be based on units/hours earned through Spring 2021 at both Fullerton and Cypress Colleges.

New and Returning Students

- An online application for admissions must be submitted by the following:
 - First time students who have never registered for classes at Fullerton or Cypress College.
 - Former students returning after an absence of one or more terms who have previously attended and received a grade or W.
- To qualify for priority registration, **new students** **MUST** complete the following:
 - Online Orientation
 - Assessment
 - Student Education Plan

DSS Students

- If you are a student who has a disability and would like to be considered for priority registration, please visit the Disability Support Services (DSS) website to complete an application and upload your documentation <https://dss.fullcoll.edu/become-a-dss-student/>. If you have questions, please feel free to email dsp@fullcoll.edu or call (714) 992-7099.

Veteran Students

- For priority registration approval, submit your military ID, DD214, or N.O.B.E. (Notice of Basic Eligibility). For more information, contact the Veterans Resource Center at (714) 992-7102 or veterans@fullcoll.edu.
- Members or former members of the Armed Forces of the United States are granted priority registration if they meet the priority registration requirements listed above in the “Continuing Students” or “New/Returning Students” sections.

Foster Youth Students

- For priority registration approval, see the Foster Youth Liaison in the EOPS office located on the first floor of the 2000 building, Room 2002 (714) 992-7173.
- Continuing and Returning students must not have exceeded 100 units (not including units in basic English, Math, or ESL) to qualify for priority registration.

CalWORKs Students

- For priority registration approval, please contact the CalWORKs office to make an appointment with your CalWORKs counselor at (714) 992-7101.
- CalWORKs students are granted priority registration if they meet the priority registration requirements listed above in the “Continuing Students” or “New/Returning Students” sections.

Special Admit Students

- Students currently enrolled in K–12 will register for the Fall term on Thursday, August 19 and Friday, August 20.
- Special Admit students must submit a completed “Special Admit Form” to the Admissions and Records Office before they can register.

When do I register for classes?

- Students can view their registration appointment time on **myGateway** beginning Thursday, June 22. Log onto **myGateway**, go to **Registration Tools**, click **Check Registration Appointment (CC/FC)**.
- Registration appointment times will be emailed to all students beginning Thursday, June 22 and daily thereafter.

REFUND DEADLINES

*(Pursuant to Section 58508 of Subchapter 6 of Chapter 9 of Division 6, Title 5 of the California Code of Regulations)

Enrollment, Health and Non-Resident Tuition Fees

Full-term classes	Refundable if dropped on or before September 6th .
Short-term classes	Refundable if dropped by 10% point of length of course. (Refer to comment line under the CRN in the Class Schedule.)

A.S. Validation Refundable through **September 6th**. Contact the A.S. Office to request a refund.

Campus Photo ID Card Refundable through **September 6th**. Contact Student Life and Leadership to request a refund.

REFUND PROCESSING FEE

A processing fee of \$10.00 per term will be deducted from **enrollment fee** refunds. Exemptions from the processing fee are students with a fee waiver, canceled classes, or administrative drops.

**A community college district shall not refund any enrollment fee or differential enrollment fee paid by a student for program changes made after the first two weeks of instruction for a primary term-length course, or after the 10 percent point of the length of the course for a short-term course, unless the program change is a result of action by the district to cancel or reschedule a class or to drop a student pursuant to Section 58106 (g) where the student fails to meet a prerequisite.*

PAY YOUR FEES

- **Fees are due IMMEDIATELY.** Fullerton College **does not bill for unpaid registrations.**
- Pay by credit card on **myGateway**.
- Check/money order payments must be mailed to the Bursar's Office.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (tax lien).

ALL FEES ARE SUBJECT TO CHANGE

Registration Policies/Procedures

ADMISSION ELIGIBILITY

Applications for admission are accepted for:

- High school graduates, high school proficiency, GED, or students at least eighteen years of age.
- Title IV Financial Aid requirements differ. For Title IV financial aid, a high school diploma, high school proficiency, or GED is required.

For more information:

https://financialaid.fullcoll.edu/wp-content/uploads/sites/77/2020/11/Financial_Aid_Brochure_You_Consumer_Brochure_2020-2021.pdf

- Students in K–12 who qualify for the Special Admit Student Program.
- International Students who are eligible under a student visa (F-1). *For information on the application procedure for International Students, contact the International Student Center at isc@fullcoll.edu, 1-714-992-7078, or visit <http://lisc.fullcoll.edu/future/admissions/>.*

ADD CODES

The 6-digit Add Authorization Code is required for each class once the class begins and is only valid for the current term and class. The Add Authorization Code must be used by the add deadline of the class to guarantee official enrollment. If a student has been unsuccessful using the Add Code due to too many attempts, or the code has expired, a new Add Code must be obtained from the instructor.

ATTENDANCE/PARTICIPATION

Attendance/Participation at the first class meeting is required. Failure to attend **may** result in the instructor dropping the student from the class.

CAMPUS HOLDS

Fullerton College may withhold diplomas, registration privileges, or any combination thereof, from any student or former student who has failed to clear a campus obligation (unpaid balance of enrollment fees, returned check, unpaid loan, equipment not returned, equipment breakages, unpaid fines or materials owed to the library, etc.).

CLASS CANCELLATIONS

Fullerton College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COREQUISITES (Concurrent Enrollment)

A course that a student must enroll in at the same time as the desired course — in some instances the corequisite course may be taken prior to the desired course. If the corequisite is taken prior to the desired course, a grade of C or better must have been earned.

COURSE REPETITION

If you are repeating a course due to a substandard grade or W (for a non-repeatable course):

- Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances. Go to <https://admissions.fullcoll.edu/downloadable-forms/>.
- When repeating a course with a substandard grade and submitting an Appeals Petition, the last grade earned will count toward the grade point average and the previous grade(s) will be discounted or forgiven.
- Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.

If you are repeating a course that allows repeats, whether you received a grade or W:

- A course may only be repeated the number of times indicated in the catalog.
- Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course.
- Fine Arts, Physical Education, and other active participatory courses that are related in content must be grouped. Each individual course within a group is not repeatable and students are only allowed an allocated number of maximum attempts of courses within each group. (For example: if there is a maximum of four attempts within a group of six courses a student will only be allowed to complete four of the six courses). If a student receives a W in one of the courses within a group they will be allowed a second attempt without a petition of that course but the attempt that resulted in the issuance of a W counts as one of the attempts within the group of courses.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

DUPLICATE COURSE

Students may not register for two classes with the same course number and title.

MAXIMUM UNITS/HOURS

A maximum unit load for any student is 19 units per term. Students may register over 19 units only with a counselor's approval.

Registration Policies/Procedures (continued)

MILITARY WITHDRAWAL

A student called to military service during a semester in progress should complete and submit an Extenuating Circumstance petition to have a “MW” (military withdrawal) noted on the student’s academic transcript. A copy of military orders is required. Go to <https://admissions.fullcoll.edu/extenuating-circumstances-petition/>.

OPEN ENROLLMENT

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

PASS/NO PASS

If a course is listed in the College Catalog as “Letter Grade or Pass/No Pass Option,” a student may choose to take the course with a P/NP grade. Log in to **myGateway**, go to “Registration Tools” and click “Update Grade to Pass/No Pass.” Once the request is submitted, the grading option is **not** reversible.

PAY YOUR FEES

Students who are enrolled in classes and have not paid fees will have a hold placed on their records. Unpaid fees may be collected at a later date through the Chancellor’s Office Tax Offset Program (paid from your tax refund).

PETITIONING CLOSED CLASSES

Students may petition closed classes by attending the first meeting. If space permits, the instructor will issue an Add Authorization Code, allowing students to add the closed class online through **myGateway**. Students are not officially registered until the class has been added online.

PREREQUISITES

A course that a student must pass (with a grade of C or better) before enrolling in the more advanced course. In some instances, an assessment exam with qualifying scores, or prior knowledge and/or experience that a student possesses may also be accepted as a prerequisite for a course.

PRIVACY RELEASE

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the College may release or publish, without the student’s prior consent, items in the category of public information, which include the student’s name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Any student who wishes to have this information restricted must submit a written request to the Admissions and Records Office. Directory information will then only be provided to individuals who have a current written and signed release from the student.

SCHEDULE/BILL RECEIPT

The Schedule/Bill receipt is proof of enrollment in classes and fees paid for the term. Schedule/Bill receipts are available in **myGateway**. Students should check the Schedule/Bill receipts carefully to verify registration and fee payment. Instructors, labs and any office on campus may request to see a student’s Schedule/Bill receipt prior to providing services.

TIME CONFLICT

Students are not permitted to register for two classes that are scheduled during the same or overlapping time periods, *even if the instructor will allow it*. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses.

VARIABLE UNIT COURSES

Units may be increased/decreased **no later than the withdrawal deadline of the course**. Additional fees will be charged for increased units and refund deadlines are enforced when decreasing units.

WITHDRAWAL POLICY

While an instructor may drop a student for excessive absences, **it is the student’s responsibility to officially withdraw from a class**. Instructor approval is not required. Students must drop/withdraw classes by the appropriate deadline date through **myGateway**.

Full-Term Classes

First two weeks of the term: The student or the instructor may initiate a drop from the course. No notation shall be made on the student’s academic record. For the exact date, refer to the “**Calendar of Important Dates**” in this class schedule.

3rd week through 12th week: The student or the instructor may initiate a withdrawal. A W shall be recorded on the student’s academic record.

Short-Term Classes

Refer to the comment line under the specific section (CRN) of the class for deadline dates. Every effort has been made to ensure the accuracy of these dates. These dates are subject to change without notice in order to comply with State accounting regulations.

Open Entry Classes

Whenever possible, Open Entry classes shall be treated according to the regulations for Full-Term Classes and Short-Term Classes.

Failure to officially withdraw from a class may result in a grade of F or NP.

Residency for Tuition Purposes

(per Education Code, Section 68060)

The Office of Admissions and Records determines the residency status of all new and returning students. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. It is the student's responsibility to provide documentation that clearly demonstrates both physical presence and the intent to establish California residence. A student who does not submit adequate information to establish the right to classification as a California resident will be classified as a nonresident for tuition purposes. Some visa types are precluded by federal law from establishing residency.

The residence determination date is the day immediately preceding the opening day of instruction of the semester as set by the Board of Trustees. Generally, residency requires actual physical presence in California at least one year prior to the residence determination date, coupled with proof of intent to make California one's home. Generally, California residency is established by one of the following:

1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant's parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
3. If the applicant is 19 years of age or older, the applicant must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Non-citizen students holding visas which do not preclude them from establishing residency in California (for example: permanent resident visa or amnesty approval), must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.

Factors Considered to Determine Residency

A person's presence in California and the factors below are considered in determining California residency. No one factor determines residency.

- Being licensed to practice a profession in California
- Filing California State Income taxes as a resident
- Having an active checking and/or savings account in California
- Having paid nonresident tuition in another state
- Owning residential property in California for personal use
- Possessing a California Driver's License and vehicle registration in California
- Showing proof of employment in California
- Possessing a divorce decree issued in California
- Voting in California
- Showing California as "home of record" on military records (DD214 or Leave and Earnings Statement)
- Being an active military member, military veteran, or a military dependent

IMPORTANT: Residency classification is determined for each student when the admission application is accepted. Any student who is classified as a resident, but who becomes a nonresident at any time by virtue of a change of residence, by his or her own action or by the person from whom his or her residence is derived, is obligated to notify the Admissions & Records office immediately.

Nonresident Student

A student's residence status is determined at the time of application. A student classified as a nonresident must pay nonresident tuition in addition to the enrollment fee and other fees (including a \$57 Capital Outlay Fee per Ed Code 76141) for credit classes.

Residency for Tuition Purposes (continued)

Assembly Bill 540

Any student, other than one with a nonimmigrant visa status who meet all of the following requirements, shall be exempt from paying nonresident tuition at all public colleges and universities in California. (Students who have been granted T or U visa status are also exempt per AB1899).

The requirements are:

- Attended high school in California for three or more years, OR
Attended a combination of California high school, California adult school, and/or California Community College for the equivalent of three or more years of full-time attendance, OR
Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work **and** attended a combination of elementary, middle/secondary, and/or high schools in California for a total of 3 or more years.
- Graduated from a California high school or attained the equivalent (i.e., GED or Certificate of High School Proficiency) prior to the start of the term, OR
Attained an associate degree from a California Community College, OR
Completed the minimum requirements at a California Community College for transfer to a California State University or University of California.
- In the case of a person without lawful immigration status, the filing of an affidavit with the college stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- All students who meet AB540 requirements must file an affidavit with the College. The affidavit is included in the California Nonresident Tuition Exemption form which is available on the Admissions and Records website <https://admissions.fullcoll.edu/residency/#ab540> and Class Schedule (see Nonresident Tuition Exemption form in the back of the Class Schedule).
- Students living outside the state and enrolled in distance education are not eligible for the AB540 exemption.

Senate Bill 141

This bill requires districts to exempt nonresident tuition from a nonresident student who is a U.S. citizen and who resides in a foreign country, if that student meets all of the following requirements:

- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the federal Immigration and Nationality Act and demonstrates a financial need for the exemption.
- Moved abroad as a result of the deportation or voluntary departure and lived in California immediately before moving abroad.
- Attended a public or private secondary school in California for three or more years.
- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.
- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.
- Documentation shall be provided by the student as required by statute as specified in Education Code section 76140(a)(5).

Assembly Bill 2364

This bill mandates Community College districts to exempt all qualifying nonresident special part-time students, who meet the requirements set forth in Section 76140 of the Education Code, from the requirement to pay nonresident tuition for community college credit courses. This exemption does not apply to special full-time students.

This exemption is not intended to apply to categories of students who would be precluded from qualifying for the AB540 nonresident tuition exemption; i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most nonimmigrant visas.

DON'T DELAY YOUR REGISTRATION

Check for Prerequisites early

Before you enroll check to see if your class has a prerequisite.

Prerequisites must be cleared prior to enrollment.

Plan ahead and take care of this as early as possible to avoid waiting in long lines and delaying your enrollment in important classes.

How to clear a prerequisite

You are automatically cleared if:

- ▶ you are currently enrolled in the appropriate prerequisite course at Cypress College or Fullerton College
- ▶ you have completed the appropriate prerequisite course at Cypress College or Fullerton College
- ▶ you have tested into a particular course level in English, ESL, Reading and Math by taking the appropriate placement test
- ▶ for Fullerton College chemistry students: you have taken the Chemistry assessment test at Fullerton College and received the appropriate score for placement

You can also be cleared by:

- ▶ bringing high school transcripts, transcripts from another college and/or other appropriate documentation indicating completion of the prerequisite course. Because some classes fill up very quickly, it is recommended that you take care of this as soon as possible to avoid possible delays prior to your enrollment of classes. Unofficial documents can be sent to COUNdocs@fullcoll.edu for clearance purposes **ONLY**.

Priority Registration for the Military

Veteran Students who are members or former members of the Armed Forces of the United States and have met college enrollment priority requirements are granted priority registration.

For priority registration approval, submit your military ID, DD214, or N.O.B.E. (Notice of Basic Eligibility) to the Veterans Resource Center.

For more information, call 1-714-992-7102 or email veterans@fullcoll.edu

ATTENTION STUDENTS!

Please read the following, it may impact your schedule planning!

IMPORTANT COURSE REPETITION POLICY

IF YOU ARE REPEATING A COURSE DUE TO A SUBSTANDARD GRADE OR W (for a non-repeatable course)

- ▶ Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- ▶ Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.
- ▶ When repeating a course with a substandard grade and submitting an Appeals Petition, the last grade earned will count toward the grade point average and previous grade(s) will be discounted or forgiven.
- ▶ Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, insuring a true and complete academic history. (Refer to Appeals Petition under College Policy and Rules in the FC Catalog)
- ▶ Petitions may be filed with the Admissions and Records Office.

IF YOU ARE REPEATING A COURSE THAT ALLOWS REPEATS, WHETHER YOU RECEIVED A GRADE OR W

- ▶ A course may only be repeated the number of times indicated in the catalog.
- ▶ Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course. Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

Incomplete (I) Grades

If an Incomplete (I) is received, the student **cannot** re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

In Progress (IP) Grades

If an In Progress (IP) is received, the student **must** re-enroll in the course the following term.

**FOR ADDITIONAL INFORMATION
PLEASE REFER TO THE "ACADEMIC INFORMATION"
SECTION OF THE FC CATALOG.**

GET YOUR CLASS "FASTPASS"

Priority Registration gives students an earlier registration date and/or time. After you have applied at Fullerton College, follow these steps to get ahead of the line. Learn more at counseling.fullcoll.edu.

NEW STUDENTS:

In order to qualify for Priority Registration, new students must complete online orientation, assessment testing and develop a Student Education Program Plan (SEPP).

RETURNING STUDENTS:

Returning students are those who have not attended Fullerton College or Cypress College for one or more semesters. They must complete the online orientation, assessment testing and develop an SEPP and:

- Be in good academic standing
- Have completed less than 100 units

Gainful Employment Programs

A new regulation requires us to provide consumer information to prospective and current students for vocational and certificate programs. These requirements comprise what is known as "Gainful Employment." Data considered to be public information for these programs can be obtained by visiting the College web site at www.fullcoll.edu and clicking on the "Academic Programs" link and then "Gainful Employment." Additionally, the Net Price Calculator is available on our College web site at: <http://www.fullcoll.edu/prospective-students/tuition-costs>.

Frequently Asked Questions...

WAITLISTS

What is a waitlist?

A waitlist is an electronic list of students who would like to enroll in a closed class. Waitlisting does NOT guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on to a waitlist?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Enter the CRN of the class. If the class is closed you will be given the option of adding to the waitlist if waitlist seats are available. To place yourself on the waitlist, use the drop-down menu and select “**Waitlist**”, then click “**Confirm Your Choices**”.

Can I add to more than one waitlist?

Yes, you can add to more than one waitlist for different subjects but you CANNOT add to more than one waitlist for the same course.

How can I monitor my waitlist position?

Log on to myGateway, go to “**Registration Tools**” and click “**Check Waitlist Status**”. If a seat is available for you to attempt to add, you will see a date and time in the “**Notification Expires**” field.

How will I know if a seat in the class becomes available while I am on the waitlist?

If a seat becomes available, you will be notified via “**Announcements**” on myGateway. We strongly recommend that you check your **Personal Announcements** daily! As a secondary means of notification, we will also send a waitlist notification to your preferred email address on file. (See the following email notice)

Important Student Email Information

Students have reported undelivered, delayed, and/or blank emails from various email providers. We strongly suggest that students frequently monitor the “**Announcements**” window in myGateway for messages regarding waitlisting.

The college is NOT responsible for undelivered, delayed, or incomplete email from ANY email provider.

How do I add the class once I am notified via “Announcements” or Waitlist email notification?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Go to the specific waitlisted class in your list of classes and use the drop-down box to register for the course. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration**”.

How long do I have to add the class when a seat is available and what if I miss my 48 hour deadline to add?

Once a seat becomes available you have **48 hours** to add the class **OR** until midnight prior to the start day of class, whichever comes first. If you miss the deadline to add the course your name is automatically removed from the waitlist and the next waitlisted student is notified.

What if I am on a waitlist and no seat becomes available before the first class meeting?

Waitlisting does NOT guarantee enrollment into any class. You must attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization code. Be advised that although an instructor may give a waitlisted student an add authorization code, it is the student’s responsibility to officially register into the class through myGateway.

What if I am on a waitlist and the instructor provides me with an Add Authorization Code at the first class meeting?

IMPORTANT — You cannot add a course with an Add Code until **AFTER** the first class meeting. Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Go to the specific waitlisted class and click “**Waitlisted — Drop**” to drop from the waitlist. Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration**”. It is the student’s responsibility to verify class enrollment. Print your schedule/bill and make sure there is an “**RW**” registration status next to each course.

SHORT TERM CLASSES

A student may register for a Short Term Course online through **myGateway**:

Prior to the first day of class If the class is **OPEN**, an **Add Authorization Code** is not required.
 If the class is **CLOSED**, you may add onto an open waitlist.

Starting the first day of class An **Add Authorization Code** is required for all classes.

Refer to the comment line under the CRN in the class schedule for add, drop, withdrawal, and refund deadlines.

Adding a Waitlisted Course Using an Add Code

- You cannot add a waitlisted course with an Add Code until **AFTER** the first class meeting.
- Once you receive the Add Code from the instructor, log on to myGateway and go to **“Registration tools”** and click **“Add or Drop Classes”**.
- Go to the CRN you are waitlisted in and click **“Waitlisted–Drop”** to drop from the waitlist.
- Re-enter the **same CRN**, and follow the prompts to enter the 6-digit Add Code.
- Click **“Confirm Your Choices”** and **“Complete Registration”**.
- Print your schedule/bill and make sure there is an **“RW”** registration status next to each course. It is the student’s responsibility to verify class enrollment.
- Please be advised that Add Codes cannot be used before the first day of class or **AFTER** the add deadline for the course.

PAY YOUR FEES

- **Fees are due IMMEDIATELY.** Fullerton College **does not bill for unpaid registrations.**
- Pay by credit card on **myGateway**.
- Check/money order payments can be submitted by mail to the Bursar office.
- Due to the COVID-19 campus closure cash payments will not be accepted. We recommend that you mail a check/money order to the Bursar office.
- Print schedule/bill via **myGateway** for confirmation of registration and payment of classes.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (paid from your tax refund).

**Convenient, flexible, and accessible on and off campus.
Same application, registration, credits and fees as on-campus courses.**

IMPORTANT:

- Distance Education courses may require course log-in by a required date and attendance, on campus, for an orientation meeting, and/or taking tests and exams. Refer to Schedule of Classes for course specific information.
- Distance Education courses are taught using Canvas. Courses may not be available or show up on Canvas until the first day of the semester.
- Students are responsible for the compatibility of personal devices.
- Basic skills include using email, a word processing program, saving documents, uploading documents, downloading documents, and navigating the Internet.

Students: **Get ready for Fall learning success**

Fullerton College

Fall 2021 Schedule of Classes

August 23, 2021 – December 11, 2021

The College Catalog and Class Schedule must be prepared well in advance of the time period it covers; therefore, changes in some programs and policies may occur. Courses as described are subject to change without notice, and some listed courses are not offered every term. Courses offered in Fall, Spring or Summer **only** will be indicated under the title. For questions about the frequency of course offerings, contact the appropriate division office. In addition, some courses or programs that are offered may have to be cancelled because of insufficient enrollment, elimination or reduction in programs, or for any other reason considered sufficient by the College president or designee.

Pre-Nursing Science Sequence

The Pre-Nursing Science Sequence shows the progression of Fullerton College science courses that students should take to complete the prerequisites for entrance into most nursing programs. Almost all nursing schools require the core sequence of anatomy, physiology, microbiology, and a semester of chemistry. Most Bachelors' in nursing programs require a second semester of chemistry. Other entrance requirements (GE pattern, sociology, psychology, math) differ, so you should contact a Counselor and the specific school you would like to enter to determine the appropriate coursework.

Due to the COVID-19 health emergency and continued social distancing restrictions, all courses listed as ONLINE or ZOOM will require a computer and internet access.

Engine Rebuilding and Repair						Automatic Transmissions					
<i>Advisory: AUTO 131 F or equivalent work experience</i>						<i>Advisory: AUTO 131 F or equivalent work experience</i>					
In this course, students will dismantle, clean, measure engine components for serviceability, perform basic machining operations, and reassemble an engine. Topics addressed on the National Institute of Automotive Service Excellence Engine Repair (A1) examination are emphasized.						In this course, students will perform testing, diagnosis, maintenance, and rebuilding of various automatic transmissions and transaxles. Automatic transmission rebuilding and repair techniques are reinforced through laboratory bench rebuilding or vehicle repair projects. Students may be assigned vehicle repair projects on laboratory vehicles, customer vehicles, or student vehicles. All vehicle repair projects are subject to review and approval by the instructor and shop manager. Instruction will closely parallel topics addressed on the ASE Automatic Transmission Transaxle (A2).

Funding Special Projects and New Ventures							Introduction to Business and Data Analytics						
In this course, students will participate in the opportunity to define, refine, and enhance their funding/fundraising skills by completing a supervised project for any funding need. Students will experience the process of research and organizational assimilation as they tackle a discrete fundraising project of long- or short-term benefitting them personally or for a specific new venture. The larger theoretical issues that affect funding/fundraising/crowdfunding are discussed within the context of this course.						Transfer: CSU	This course is an introductory business data course designed to give an understanding of the complete analytics cycle. Big data is all about the transformation of data from traditionally unconnected sources into powerful and predictive information that allows businesses to make better decisions and drive optimal results. In this course, students will investigate the principles of data representation, management, statistical modeling, and analysis, and then apply these concepts to uncover patterns, relationships, and trends. Students will learn tools most commonly used in data analytics and tools for visualization, inference, forecasting, optimization, simulation, and data mining including Excel, Qualtrics Survey Software and Tableau.

FULLERTON COLLEGE FORENSICS

WHAT IS FORENSICS?

Forensics, also known as speech and debate, offers students the opportunity to gain an advantage in their personal and professional life by enhancing critical thinking and public speaking skills.

Students participate in school-sponsored travel to regional colleges and universities to put their skills to the test against similarly skilled students at other campuses.

WORDS MATTER.

Students who choose debate engage in team-based competition focused on creative argumentation and evidence-based reasoning.

Forensics welcomes competitors of all experience levels. We invite students of all majors to come discover which event is right for you.

Join COMM 138 F Forensics and be a part of something great.

CSTR 110 F 3 Units Residential Estimating Transfer: CSU This course is an introduction to building plan reading, material listing and price estimating of residential structures. Students will analyze building plans, specifications, notes, and structural details in order to estimate in list form various materials and labor costs.							The Cosmetology Program prepares students to become eligible to take the California State Board of Barbering and Cosmetology examination. Eligibility for the state exam requires continuous attendance, completion of 1,600 clock hours, and completion of the Cosmetology Department's and state's mandated course work. The cosmetology student lab kit and Pivot Point textbooks cost approximately \$3,100 (tax is not included in the price listed and cost is subject to change). The cosmetology kit and textbooks are required. The cosmetology student kit is sold in two modules. The first module kit and the textbooks (textbooks must be purchased at the Fullerton College Bookstore) are to be purchased prior to the first day of class, no later than the second day of class for approximately \$1,900 (tax is not included in the price listed and cost is subject to change). The second module kit is to be purchased two weeks prior to the end of the first level (055AF) course date for approximately \$1,200 (tax is not included in the price listed and cost is subject to change). The cosmetology office will contact the students via email with instructions on purchasing the kit. First module kit may be picked up at the kit company or shipped at an additional cost and the contents will be inventoried as a group on the second day of class via Zoom. Uniform and closed-toe shoes must be approved by the Department prior to purchase. Other expenses totaling approximately \$500 will be needed for materials during the 1,600-hour program. Fullerton College Honors Program

The Honors Program offers students small classes with dedicated and engaged faculty. Most honors classes meet the general education requirements for most majors and include high impact practices like seminar discussions, presentations, and research. Courses are designed not to be harder than the traditional course, but to allow students to dive deeper into the material with a student-centered focus.

Students who complete the Honors Program and meet all transfer requirements will have priority consideration for admission to specific four-year institutions. Fullerton College is a member of the Honors Transfer Council of California.

Requirements for Membership: Minimum 3.4 GPA in either high school or college coursework OR a faculty recommendation; veteran and returning students do not need to meet the GPA requirements; completion of the Honors Program application; Apply at <http://honors.fullcoll.edu>

MATH ONLINE, HYBRID AND ZOOM CLASSES

All math classes cover exactly the same material no matter how they are offered.

ONLINE classes require the use of a web-based course management system, such as MyMathLab. These are not self-paced classes. Students will need to keep up with the schedule set by the professor and check regularly for any updates. Each class will have dated assignments and tests, and students will be expected to meet those deadlines. Online classes work well for highly self-motivated students.

HYBRID classes meet one day a week in a ZOOM classroom with the instructor, in addition to accessing online resources and assignments.

ZOOM classes meet twice a week remotely with the instructor at the dates and times shown in the schedule.

Prerequisite: MATH 040 F or MATH 041 F with a grade of C or better or by assessment through the college multiple measures placement processes. Some assessments may result in the student being required or recommended to take MATH 033 F as a concurrent support course instead of taking a prerequisite course.

This is a survey course with selected topics from the mathematics of finance, set theory, probability, statistics, logic or geometry, and other selected topics. This course is designed for students majoring in liberal arts, education or communication. Calculators or computers may be used for selected topics.

Mathematics Course Sequence

This sequence shows the progression of math courses that students should take in order to complete their math requirement for the associate degree or to transfer. The type of mathematics you will be required to complete depends upon your major and/or transfer institution. The starting course can vary based on high school grades, college coursework, and other factors. **Please see a counselor before enrolling to discuss placement and the mathematics sequence.** You may also email math@fullcoll.edu or reference www.assist.org.

Students majoring in Liberal Arts or Social Sciences

MATH 100 F
Liberal Arts Mathematics

OR

MATH 120 F
Introductory Probability and Statistics

MATH 121 F
Enhanced Introductory Probability and Statistics
(See note 4)

SOSC 120 F
Introduction to Probability and Statistics

PSY 161 F
Elementary Statistics for Behavioral Science

(Students should consult a counselor to determine an appropriate Statistics course)

Students majoring in Business

MATH 130 F
Calculus for Business
(See notes 5 and 6)

MATH 129 F
College Algebra for Business Calculus
(This course is no longer being offered. See note 6)

Students majoring in the Sciences

MATH 252 F
Linear Algebra and Differential Equations
MATH 253 F
Additional Topics in Linear Algebra

↑

MATH 251 F
Multivariable Calculus

↑

MATH 152 F
Calculus II

↑

MATH 151 F
Calculus I

↑

MATH 141 F
College Algebra
(See notes 7 and 8)
OR
MATH 143 F
Enhanced College Algebra

AND

MATH 142 F
Trigonometry
(See notes 7 and 9)

NOTES:

1. Students should discuss with a counselor whether taking MATH 040 F is necessary.
2. All courses fulfill the graduation requirement for the Associates' Degree.
3. All courses transfer to a 4-year institution.
4. MATH 121 F is an enhanced version of MATH 120 F which includes prerequisite skills and other support strategies for students.
5. Students majoring in any business field should consult with a Counselor before taking a transferable math course. Some business programs require Calculus (MATH 151 F), others require Business Calculus (MATH 130 F). Some also require Statistics (MATH 120 F).
6. Students who have not completed MATH 129 F may enroll in MATH 130 F, but should also take the corequisite course, MATH 032 F.
7. MATH 141 F or MATH 143 F, and MATH 142 F may be taken in any order, or concurrently. Both are required for MATH 151 F.
8. MATH 143 F is an enhanced version of MATH 141 F which includes prerequisite skills and other support strategies for students.
9. MATH 034 F, a corequisite course that reviews prerequisite skills needed in trigonometry, is linked to various sections of MATH 142 F.
10. MATH 252 F and MATH 253 F can be taken concurrently.
11. The Division offers honors courses: MATH 120HF, MATH 141HF, MATH 151HF, and MATH 152HF.
12. The Division offers other courses: Discrete Mathematics (MATH 170 F and 171 F), Graph Theory (MATH 172 F), a course for prospective teachers (MATH 203 F), separate courses in Linear Algebra and Differential Equations (MATH 255 F and MATH 260 F) and a series of Mathematics Seminars (MATH 290 F, MATH 290HF, MATH 291 F, MATH 291HF, MATH 295 F, MATH 295HF). Check the class listings since some of these courses are not offered every semester.

PAY YOUR FEES

- Fees are due **IMMEDIATELY**. Fullerton College **does not bill for unpaid registrations**.
- Pay by credit card on **myGateway**.
- Check/money order payments can be submitted by mail to the Bursar office.
- Due to the COVID-19 campus closure cash payments will not be accepted. We recommend that you mail a check/money order to the Bursar office.
- Print schedule/bill via **myGateway** for confirmation of registration and payment of classes.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (paid from your tax refund).

Due to the COVID-19 health emergency and continued social distancing restrictions, all courses listed as **ONLINE** or **ZOOM** will require a computer and internet access.

Student Responsibility to Drop Classes

If you decide not to participate in classes for which you have registered, it is your responsibility to officially drop within published deadlines.

If fees have not been paid, students who drop classes after the refund deadline will incur a financial obligation to the college and an administrative hold will be placed on their student record until fees are paid.

Due to the COVID-19 health emergency and continued social distancing restrictions, all courses listed as **ONLINE** or **ZOOM** will require a computer and internet access.

Student Responsibility to Drop Classes

If you decide not to participate in classes for which you have registered, it is your responsibility to officially drop within published deadlines.

If fees have not been paid, students who drop classes after the refund deadline will incur a financial obligation to the college and an administrative hold will be placed on their student record until fees are paid.

Due to the COVID-19 health emergency and continued social distancing restrictions, all courses listed as ONLINE or ZOOM will require a computer and internet access.

TEACHER OF THE YEAR – Jodi Balma

Jodi Balma started her career as a professor of political science at Fullerton College in 2000. She has served as the faculty coordinator of the Honors Program since 2012. This is her second time being awarded Teacher of the Year, following a prior win in 2014. She was named 2022 Orange County Teacher of the Year.

Professor Balma specializes in American politics and California state and local government. Her goal is to help students learn how to think about politics and community problems with an emphasis on critical thinking and analysis, regardless of political party or ideology. She helps students understand how they can become involved in working with community leaders to find solutions.

Balma is a regular on-the-record analyst for newspaper and radio media outlets such as the Los Angeles Times, Orange County Register, KNX 1070, KPCC, and NPR. California Senator Josh Newman named her as the 2021 Woman of the Year for Senate District 29. She served as the President of the Honors Transfer Council of California from 2013–2017 and remains active in the organization. She is actively involved in the League of Women Voters and frequently hosts local candidate forums throughout North Orange County every election cycle. Last year, Professor Balma launched a North Orange County focused podcast titled “A Slice of Orange” to help her students and the community learn more about local government.

What she wants most is for her students to leave her classroom understanding the role they can play in improving their own communities and government. As she often reminds them, “You don’t have to change the entire world, but what you can mean the world to those around you. Use your voice and knowledge to be the change you want to see in the world.” Current and former students said she inspired them to get involved, run for office, and to pursue opportunities they never would have considered without her support. “She’s someone who teaches you about politics, life, and ultimately, yourself.” Her support doesn’t end with the semester though, “Professor Balma remains my first call when I have a question about the next step in my academic or professional support and I’ve long lost count of the letters of recommendations she’s written for me. She’s a lifelong mentor who continues to teach through her example and counsel. I don’t know where I would be without her.”

Jodi Balma lives in Brea with her husband and their children, Rachel and Jason. Her two cats, Pumpkin and Latte, and dog Quincy, enjoyed appearing in Zoom classrooms and inspired “Bring your pet to zoom days” during this year of remote instruction.

Student Responsibility to Drop Classes

If you decide not to participate in classes for which you have registered, it is your responsibility to officially drop within published deadlines.

If fees have not been paid, students who drop classes after the refund deadline will incur a financial obligation to the college and an administrative hold will be placed on their student record until fees are paid.

Due to the COVID-19 health emergency and continued social distancing restrictions, all courses listed as **ONLINE** or **ZOOM** will require a computer and internet access.

A student is expected to take courses on an accepted progressive basis. The student will not receive credit for classes which are considered lower in degree of advancement than those already taken.

(EW) EXCUSED WITHDRAWAL

Excused Withdrawal occurs when a student is permitted to withdraw from course(s) due to specific events beyond the control of the student and may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances beyond the control of the student affecting his/her ability to complete a course(s).

Verifiable documentation must be presented upon petition by the student to Admissions & Records. The EW grade does not count in calculation of probation or dismissal and is not counted as an enrollment attempt for purposes of course repetition. Please note that the EW grade does count in the Federal financial aid Satisfactory Academic Progress Calculations. A student should consult with the financial aid staff regarding any impact. Title 5 Sections 55024 (See AR 5075 Course Adds, Drops and Withdrawals).

GRADES

Grades are available via **myGateway** approximately two weeks after the class ends. Log in to **myGateway**, click **Student** on the left hand side and click **Student Records**.

Incomplete (I) Grades

If an Incomplete (I) is received, the student **cannot** re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

In Progress (IP) Grades

If an In Progress (IP) is received, the student **must** re-enroll in the course the following term.

MATRICULATION APPEALS PROCEDURES

A Matriculation Appeals Petition may be filed for any of the following concerns:

Review of Placement Decisions

The student must make an appointment to see the Dean of Counseling. If the Dean of Counseling is unavailable within three (3) working days, the student shall take the appeal directly to the Dean of Humanities or Dean of Mathematics as appropriate. The student must include documentation and/or information to support the appeal.

Student Rights to Challenge Prerequisites and/or Corequisites

Section 55003 of Title V states: Any prerequisite or corequisite may be challenged by a student on one or more of the

grounds listed below. The student shall bear the initial burden of showing that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the district's process for establishing prerequisites and corequisites.
2. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
3. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
4. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.

REQUEST TO EXCLUDE D or F GRADES

If a student has previously received a D or F grade in a course taken at Fullerton College and repeats exactly the same course and earns a higher letter grade, the student may petition to exclude the D or F grade from his or her cumulative grade point average. Petitions are available online <https://admissions.fullcoll.edu/downloadable-forms/>. Refer to the College Catalog for complete information.

STUDENT INFORMATION

Student address, phone, email should be kept current and updated to receive important information from the college. <https://admissions.fullcoll.edu/downloadable-forms/>.

For an accurate 1098-T Tuition Statement, it is required by the IRS that you have your legal name and SSN on file (the same name and number that is on your Social Security card).

TRANSCRIPTS

Students should submit official transcripts to Fullerton College according to the criteria below.

High school transcripts — Students who graduated from high school in the past two years (submit to the Counseling Center).

Other college transcripts from previous colleges attended should be submitted to the Admissions and Records Office for the following reasons —

- Students who plan to graduate or complete a certificate and/or transfer from Fullerton College.
- Students who are applying for EOPS (Extended Opportunity Program & Services) in order to be evaluated for eligibility.
- Veterans collecting educational benefits (submit to the Financial Aid Office).
- Students who need to show proof of prerequisite completion (submit to the Counseling Center). Further evaluation of other college transcripts may be required by the Admissions and Records Office prior to course clearance for enrollment.

DEADLINE TO SUBMIT APPLICATIONS FOR FALL 2021 GRADUATION IS THURSDAY, SEPTEMBER 9, 2021

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION APPROVED COURSE LIST 2021–2022

IMPORTANT NOTE: Courses on this list are approved for a specific academic year which begins with the Fall 2021 semester. This list is valid through Summer 2022. New courses for 2021–2022 are listed in **bold**.

Students wishing to use a course to meet a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. Courses on this list are approved by the CSU Chancellor's Office for the 2021–2022 academic year. A course used in the certification process must be on the CSU GE Breadth approved list during the term in which it is taken. If a course is taken before it is approved for inclusion on the list, it cannot be certified. Similarly, a course which is taken after it has been removed from the list cannot be certified.

Previous CSU General Education Approved Course Lists are available at www.assist.org. Information is also available at the Fullerton College Cadena Transfer Center and the Fullerton College Counseling Resource Center, or you may request verification from a counselor.

CSU General Education certification is available to community college transfers who complete the majority of their lower division units at the community college.

Students enrolled in high-unit majors (i.e., architecture, computer science, engineering, sciences) are often recommended not to be fully CSU GE certified but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop a student academic educational plan.

AREA A: English Language Communication and Critical Thinking (9 semester or 12–15 quarter units)

++ Courses are also listed in Area D.

Students who took an out-of-state Political Science course, please see a counselor.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2021–2022

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a California community college to a campus in either the CSU or UC system without the need, after transfer, to take additional lower-division, general education courses to satisfy the transfer institution's general education requirements.

It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling either the CSU's general education requirements or those of the UC campus or college in which the student plans to transfer.

IMPORTANT NOTE: Courses on this list are approved for a specific academic year which begins with the Fall 2021 semester. Students wishing to use a course to meet an IGETC requirement must be sure that the course is approved for the academic year in which it is taken. This list is valid through Summer 2022.

Students enrolled in high unit majors (i.e., architecture, computer science, engineering, sciences) are frequently recommended not to use IGETC to meet general education certification but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop an academic student educational plan.

It is recommended that all IGETC requirements be completed prior to transfer. If you are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transfer. See your counselor for more information. UC transfers must provide official documentation to meet the Language Other Than English requirement. Documentation needs to be on record with the Fullerton College Records Office in advance (two semesters before transfer) if this requirement is met by any means other than Fullerton College foreign language courses.

Any coursework not completed at Fullerton College must be evaluated in writing by Admissions and Records through an academic counselor to assure that it meets IGETC standards set forth by the California Intersegmental Academic Senates.

A grade of "C" or higher is required in all coursework used for IGETC certification.

 Mon–Fri 9 am–12 pm <http://assessment.fullcoll.edu>
 and 1–4 pm
 Selected Sat from 9 am–1 pm

The Fullerton College Assessment Center supports students through the assessment process (AB705) by collecting transcripts (high school and other college), test scores (AP, IB or EAP), administering placement tests in English as a Second Language (ESL), Chemistry and offering Group Advising sessions. Please see placement options below for English, Reading, Math, ESL and Chemistry course clearance.

To be placed into a transfer level English, Math, or Reading course students should do the following:

1. Mail or hand deliver a copy of their high school transcripts to the Fullerton College Assessment Center: Building 3000, room 3023.
 - Make sure that your Fullerton College ID number is written clearly on the transcript — this is an 8-digit number starting with the “@” sign: for example, @01234567. Course grades and GPA must also be legible.
 - Also include any test scores you may have available, such as the AP, IB, or EAP/CASSPP.
 - Make sure your Fullerton College ID number is written clearly on these documents.
 - If you cannot access your high school transcripts, make an appointment with a counselor to discuss your options.
 - International high school and college transcripts will require special evaluation and may not be adequate to use for course placement. Please contact the Counseling Department for assistance.
 2. To be placed into an ESL course or Chemistry 111AF course students will need to take our assessment test. All placement testing is by appointment only. Walk-in testing is NOT available. Please visit the assessment website assessment.fullcoll.edu to schedule your assessment and view sample questions.
- Upon completion of the assessment/orientation process students will attend a Group Advising session.
- Please visit our website assessment.fullcoll.edu for more information.

BURSAR'S OFFICE

Student Services 2000 Bldg, 1st Floor (714) 992-7006
Mon–Fri 8 am–5 pm <http://fcbursar.fullcoll.edu>

The Bursar's Office, aka Campus Accounting, collects, processes, and records the numerous daily financial transactions that occur around campus. They do the banking, pay the bills, and process deposits and requisitions for the college's numerous trust accounts. The Bursar's Office administers funded scholarships and approved third-party tuition payments. They are also the disbursing location for some Financial Aid grants such as Chafee. More information can be found on their website.

BUS AND TRAIN INFORMATION

OCTA runs buses by the College, and Metrolink and Amtrak trains serve the Fullerton Transportation Center, just a 5-minute walk, or a short bus ride away. To get customized trip planning, call OCTA at (714) 636-RIDE, Metrolink (800) 371-LINK or Amtrak (800) USA-RAIL.

All Fullerton College students have access to unlimited OCTA bus rides on all Orange County Bus local fixed routes, this is paid for with the Transportation Fee. Students may either download the OC Bus mobile app on their smartphone or activate their student ID card to use as a bus pass.

Students will then receive an email from OCTA with credentials to install the app. Students who prefer to use their college ID card as their bus pass may activate their cards in the Student Center in Building 200, Room 214.

Learn more at ocbus.com/fc.

For mobile app users, OC Bus app passes renew each semester upon enrollment. Students must maintain enrolled status to maintain eligibility for the program. For non-mobile app users, Student IDs must be reactivated each semester to be valid as a bus pass. Fall Student IDs expire as a bus pass in February; Spring IDs expire in August. All bus passes are non-transferrable.

CHILD DEVELOPMENT LABORATORY SCHOOL

The Child Development and Educational Studies Laboratory School has been in continual operation since 1959 and is an important component of the Child Development and Educational Studies Department and Social Science Division. The Lab not only provides a quality educational environment for pre-school aged children and their families it also serves as a training and demonstration school for students interested in the fields of Child Development and Early Childhood Education.

We serve families without regard to sex, race, religion, ethnicity or sexual preference and make every effort to accommodate children with varying abilities.

The Lab School is open year round, Monday through Friday, 7:30 am–6 pm but is closed for specific campus holidays. All children in attendance receive a nutritious breakfast, lunch and afternoon snack.

There is typically a waiting list to attend the Lab School. Preference is given to Fullerton College students, faculty and staff, however, families from the community are strongly encouraged to apply.

For information about enrollment, tuition fees or tuition assistance please call (714) 992-7069.

Fullerton College offers financial assistance to eligible students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Stafford Loans, Cal Grants B & C, Student Success Completion Grant, Federal Work-Study, Chafee Grant, and the California College Promise Grant.

- Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at <https://studentaid.gov/h/apply-for-aid/fafsa>. If you are undocumented or a non-resident student who qualifies for non-resident exemption under AB 540, complete the California Dream Act Application (CADAA), in lieu of the FAFSA, at <https://dream.csac.ca.gov/>. (Citizens and eligible non-citizens that are eligible for AB 540 must complete the FAFSA.)
- The best time to apply is between October 1 to March 2; however, you may apply at any time.
- To complete the financial aid process, follow the information provided on the “Steps to Financial Aid at FC 2021/2022” publication on our website (Financial Aid Office website > Resources > Publications).
- Apply for the California College Promise Grant (CCPG) by completing a FAFSA or CADAA or on **myGateway**. Please note that the CCPG only covers enrollment fees; students must pay health fees and any material fees.
- Ensure that you are meeting the Satisfactory Academic Progress (SAP) policy to remain eligible for financial aid (Financial Aid Office website > Resources > Publications). SAP is determined at the end of each semester for the subsequent semester.

Did you know?

Effective Fall 2018, the Board of Governor’s (BOG) Fee Waiver was changed to the California College Promise Grant (CCPG).

- The cost of attendance (COA) at Fullerton College will vary depending on the student’s status of living at home with parent or living off-campus. The academic year COA for a full-time student (12 units or more) living at home with parent is estimated to be \$18,601, while the COA for a full-time student living off-campus is estimated to be \$29,469. The COA reflects full-time attendance and will be prorated based on actual enrollment. (See website for non-resident COA.)

Cost of Attendance for Student Living with Parent (academic year, full-time enrollment)		Cost of Attendance for Student Living Off-Campus (academic year, full-time enrollment)	
*Food/housing	\$ 9,081	*Food/housing	\$19,946

^Tuition	\$ 1,380	^Tuition	\$ 1,380
Total estimated COA	\$18,601	Total estimated COA	\$29,469
*Indirect cost, ^Direct cost			

- There are direct costs, like tuition, that are mandatory and cannot be changed. However, there are also indirect costs that will vary, like food, housing, books, supplies, transportation, and other personal and miscellaneous costs that can change the estimated COA. Indirect costs are average estimates only and may vary based on the student’s actual expenditures. Fees for non-resident students vary from these budgets. Students may view their actual COA on their **myGateway** account or their Offer of Financial Aid.

 Teléfono: (714) 808-4822

VICTIMAS DEL ACOSO U HOSTIGAMIENTO SEXUAL

Aquellos estudiantes que sean víctimas de asalto sexual dentro del predio del Distrito o en algún sitio fuera del terreno o establecimiento universitario, bajo la responsabilidad del Distrito, o que busque información o ayuda con respecto a un asalto sexual, debe comunicarse con el Director de Servicios de Salubridad, llamando al teléfono: (714) 484-7045, o con el Director de la Seguridad Pública del Terreno Universitario, llamando al (714) 484-7455. Excepto como de alguna otra manera lo exija la ley, toda pregunta e información se mantendrá en la más estricta confidencialidad.

CAMPUS SAFETY

Students Right-to-Know and Campus Security Act

In compliance with the Students Right-to-Know and Campus Security Act of 1990 (Clery Act) and to ensure a safe, secure environment, the College has adopted the following procedures:

- A. Students and staff should report serious crimes and emergencies, i.e., fire/medical, occurring on campus to the Campus Safety Department, or call 911. When using an on-campus phone or Emergency Phone, call 27777. Campus Safety may be contacted in the 1500 Building or by calling ext. 27080 during regular business hours. The Campus Safety Department is located at the west side of the campus off Lemon St.

In most cases, a Campus Safety staff member will respond to the scene and will complete a Fullerton College Incident Report. If necessary, the Fullerton Police Department will be contacted.

The Violence Against Women Act (VAWA) requires reporting of dating violence, domestic violence, stalking, and sexual assault to Campus Safety and the Fullerton Police Department.

- B. Only staff members are authorized to have keys to buildings, and no students are to have access to campus facilities without staff supervision. Security problems should be reported to the Campus Safety Department.
- C. The Campus Safety Department has the authority to enforce the campus Code of Conduct, under the Education and Penal Code of the State of California; and according to the Education Code is the liaison with local police and Sheriff's Department in all cases of criminal actions. The campus emergency procedures publication states that students and staff should make a prompt and accurate report to the Campus Safety Department in the event of an emergency.
- D. Campus programs which inform students and employees about being responsible for their own safety and the safety of others include:
1. Emergency procedures publication posted widely on campus.
 2. Notices which are distributed periodically to all staff members including Campus Safety internet site.
 3. Periodic articles in the student newspaper on safety-related issues.
 4. Programs presented by the Associated Students.
 5. Staff Development programs.
- E. The Student Code of Conduct and the State Penal Code prohibit the possession, use, and sale of alcoholic beverages and illegal drugs on campus, except as specified in the Education Code.

SECURITY ESCORTS

Campus Safety Officers can be contacted 24/7 for escort service on campus. Students or staff can contact Campus Safety Officers by using the campus emergency phones or by dialing (714) 992-7777. An officer will respond to your location and escort you anywhere on campus.

DRUG-FREE AND ALCOHOL-FREE DISTRICT POLICY

The Federal Government has mandated that as of October 1, 1990, there will be no drug usage by students, staff or faculty on college campuses anywhere in the United States.

On January 13, 1992, the Board of Trustees of the North Orange County Community College District adopted the following policy statement to comply with the law. The policy, which is to be shared in writing with students, staff and faculty is as follows:

On November 18, 1988, Congress passed the Drug-Free Workplace Act of 1988. (P.L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The statute requires contractors and grantees of Federal agencies to certify that they will provide a drug-free workplace. Making this required certification is a precondition for receiving a contract or grant from a Federal agency.

Pursuant to the Drug-Free Workplace Act of 1988, it is unlawful to manufacture, distribute, dispense, possess, or use controlled substances at all District worksites and/or while in the performance of District business or attending a District event or program.

The Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226) amends the previous law of 1988 to include that it is also unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in the workplace or at any District activities or events or while performing District business.

Compliance for Employees

The District intends to make every effort to provide and maintain a drug-free workplace. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the district. Any employee violating this policy will be subject to disciplinary action which may include termination. Any employee convicted under a criminal drug and/or alcohol statute for conduct in the workplace or while on District business must report this conviction within five (5) calendar days to the Vice Chancellor, Human Resources.

Compliance for Students

The District intends to make every effort to provide and maintain a drug-free campus. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the District. All students are required to comply with this policy as a condition of their continued enrollment. Any student violating this policy will be subject to disciplinary action, including suspension, and up to expulsion.

Legal Sanctions Under Federal, State and Local Laws are available in the following locations:

1. Student Activities Office, 200 Bldg, Room 214
2. Campus Public Safety Department, 1500 Bldg

Alcohol/Drug Abuse Counseling, Treatment, Rehabilitation Information

Personal counseling and complete referral information is available for students in the Student Health Center.

STANDARDS OF STUDENT CONDUCT AND DISCIPLINE POLICY

The standards of student conduct and disciplinary action for violation of Board Policy 5500 were approved by the NOGCCD Board on January 28, 2003, with the last revision approved October 25, 2016, to be in compliance with Sections 66300, and 66301 of the State Education Code and ACCJC Accreditation Standards.

1.0 Standards of Student Conduct

For purposes of this policy, the term “District” as used herein means the North Orange County Community College District, Cypress College, Fullerton College, the School of Continuing Education, the Anaheim Campus, and other entities operated by, or property under the control of, the North Orange County Community College District.

Students enrolling in the programs and services of the North Orange County Community College District assume an obligation to conduct themselves in a manner compatible with the function of the colleges and the School of Continuing Education as educational institutions. A student who violates the standards of student conduct shall be subject to disciplinary action including, but not limited to, the removal, suspension or expulsion of the student. Misconduct, which constitutes “good cause” for disciplinary action includes, but is not limited to, the following:

- 1.1 Disruptive behavior, willful disobedience, habitual profanity or vulgarity, the open and persistent defiance of the authority of, or persistent abuse of, District personnel, or violating the rights of other students.
- 1.2 Failure to identify oneself when requested to do so by District officials acting in the performance of their duties.
- 1.3 Cheating, plagiarism in connection with an academic program (including plagiarism in a student publication), or engaging in other academic dishonesty.
- 1.4 Dishonesty, forgery, alteration, or misuse of District documents, records, or identification, or knowingly furnishing false information to the District.
- 1.5 Misrepresentation of oneself or of an organization to be an agent of the District.
- 1.6 Causing, attempting to cause, or threatening to cause physical injury or physical or verbal abuse or any threat of force or violence, to the person, property, or family of any member of the college community, whether on or off District property as defined above.
- 1.7 Willful misconduct which results in injury or death to a student or to District personnel, or which results in the cutting, defacing, or other damage to any real or personal property of the District.
- 1.8 Unauthorized entry into, unauthorized use of, or misuse of property of the District.
- 1.9 Stealing or attempting to steal District property or private property on District premises, or knowingly receiving stolen District property or stolen private property on District premises.
- 1.10 Causing or attempting to cause damage to District property, or to private property on District premises.
- 1.11 Unlawful use, sale, possession, offer to sell, furnishing, or being under the influence of any controlled substance listed in the California Health and Safety Code, section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind, or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code or other State law defining controlled substance while on District property, or at a District function; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in the California Health and Safety Code, section 11014.5.
- 1.12 Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.
- 1.13 Possession, sale, use, or otherwise furnishing of explosives, dangerous chemicals, deadly weapons or other dangerous object including, but not limited to, any facsimile firearm, knife or explosive on District property, or at a District function, without prior written authorization of the Chancellor, college president, School of Continuing Education Provost, or authorized designee.
- 1.14 Engaging in lewd, indecent, or obscene behavior on District property, or at a District function.
- 1.15 Violation of municipal, state, or federal laws in connection with attendance in programs or services offered by the District, or while on District property or at District-sponsored activities.
- 1.16 Soliciting or assisting another to do any act (including the purchasing, transporting or consumption of any controlled substance), while under the supervision of a District official, which would subject a student to expulsion, suspension, probation, or other discipline pursuant to this policy.
- 1.17 Attempting any act constituting cause for disciplinary action as identified in the above sections of this policy.
- 1.18 Sexual assault or sexual exploitation regardless of the victim’s affiliation with the District.
- 1.19 Committing sexual harassment as defined by law or by District policies and procedures.
- 1.20 Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.
- 1.21 Engaging in physical or verbal intimidation or harassment of such severity or pervasiveness as to have the purpose or effect of unreasonably interfering with a student’s academic performance, or District employee’s work performance, or of creating an intimidating, hostile or offensive educational or work environment.
- 1.22 Engaging in physical or verbal disruption of instructional or student services activities, administrative procedures, public service functions, authorized curricular or co-curricular activities or prevention of authorized guests from carrying out the purpose for which they are on District property.
- 1.23 Stalking, defined as a pattern of conduct by a student with intent to follow, alarm, or harass another person, and which causes that person to reasonably fear for his or her safety, and where the student has persisted in the pattern of conduct after the person has demanded that the student cease the pattern of conduct. Violation of a restraining order shall, without more, constitute stalking under this policy.
- 1.24 Persistent, serious misconduct where other means of correction have failed to bring about proper conduct or where the presence of the student causes a continuing danger to the physical safety of students or others.
- 1.25 Engaging in expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of the lawful administrative procedures of the District or the substantial disruption of the orderly operation of the District.
- 1.26 Use of the District’s computer systems or electronic communication systems and services for any purpose prohibited by Administrative Procedure 3720, Computer & Electronic Communication Systems, or for any act constituting cause for disciplinary action as provided in this policy.
- 2.0 No student shall be suspended from a college or School of Continuing Education program or expelled unless the conduct for which the student is disciplined is related to college, School of Continuing Education or District activity or attendance.
- 3.0 Any violation of law, ordinance, regulation or rule regulating, or pertaining to, the parking of vehicles, shall not be cause for removal, suspension, or expulsion of a student.
- 4.0 The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of law. The procedures shall identify potential disciplinary actions including, but not limited to, the removal, suspension or expulsion of a student.
- 5.0 The Chancellor shall establish procedures by which all students are informed of the rules and regulations governing student behavior.

**CALIFORNIA NONRESIDENT TUITION EXEMPTION REQUEST
(Education Code section 68130.5, commonly known as AB 540
Effective Jan. 1, 2018)**

INSTRUCTIONS

Complete and sign this form to request exemption from nonresident tuition charged to nonresident students. Once determined to be eligible, you will continue to receive the exemption as long as you fulfill eligibility requirements or until the College or University no longer offers this exemption. Applying for this exemption does not alter your responsibility to pay, by the campus deadline, any nonresident tuition and associated fees that may be due before your eligibility is determined.

APPLICATION

Name _____ **College Student ID:** _____

I, the undersigned, am applying for the California Nonresident Tuition Exemption at (specify the College) _____ and declare that the following apply to me.

1.) Check one box only:

- I have a current nonimmigrant visa (not including a T and U visa) as defined by federal law.
Nonimmigrants have been admitted to the U.S. on a temporary visa and include, but are not limited to, foreign students (holding F visas) and exchange visitors (holding J visas).
- I have a current nonimmigrant T or U visa as defined by federal law.
- I do NOT have a current, nonimmigrant visa as defined by federal law.
This includes, among others, U.S. citizens, permanent residents, DACA recipients, and individuals without current or valid immigration status.

2.) Select all items that apply to you from each column (must satisfy at least one from each column to be eligible):

Column A	Column B
<ul style="list-style-type: none"> <input type="checkbox"/> I have 3 years of attendance at a California high school. <input type="checkbox"/> I have 3 or more years of high school coursework and 3 years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools. <input type="checkbox"/> I attended or attained credits at a combination of California high school, California adult school, and/or California Community College for the equivalent of (3) years or more.* 	<ul style="list-style-type: none"> <input type="checkbox"/> I have graduated or will graduate (before the first term of enrollment at the CCC) with a California high school diploma or the equivalent (i.e., California-issued GED, CHSPE). <input type="checkbox"/> I completed or will complete (before the first term of enrollment at the CCC) an associate's degree from a California Community College. <input type="checkbox"/> I completed or will complete (before the first term of enrollment at the CCC) the minimum requirements at a California Community College for transfer to the California State University.

*A year's equivalence at a California Community College is either a minimum of 24 semester units of credit or 36 quarter units. Only two (2) years of full-time attendance in credit courses at a California Community College will count

toward the three (3) or more years of attendance. For noncredit courses, a year’s attendance is a minimum of 420 class hours per year (a semester is equivalent to a minimum of 210 hours and a quarter is equivalent to a minimum of 140 hours). Full-time attendance at a California adult school is a minimum of 420 hours of attendance for each school year.

Please provide information on the schools you attended and referenced above, including the dates you attended and the number of credits or hours obtained:

Name of CA School	Type of School (high school, adult school or community college)	City	From (Month/Year)	To (Month/Year)	Number of Credits or Hours

Applicants must submit, as part of this form, official transcripts/attendance records that validate any of the information above as requested by the College, District, or University residence official.

AFFIDAVIT:

By signing this document below, I hereby state that if I am a non-citizen without a current or valid immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so.

DECLARATION OF TRUE AND ACCURATE INFORMATION:

I, the undersigned, declare under penalty of perjury that the information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the California Nonresident Tuition Exemption. I further understand that if any of the above information is found to be false, I will be liable for payment of all nonresident tuition charges from which I was exempted and may be subject to disciplinary action by the College or University.
