

Fullerton College

SUMMER

Class Schedule

Classes start June 5, 2023

Fullerton College

Greetings Hornets, and welcome to the summer 2023 semester.

I want to personally take this opportunity to thank you for choosing Fullerton College to explore and advance your educational and career goals. The summer class schedule is filled with a unique set of flexible course offerings and resources to get you started on an educational plan, help you continue toward a desired goal, or learn a new set of skills. So, whether you are starting new or returning to Fullerton College after a break, I am confident this summer schedule has something that's just right for you.

Over the last few months, I have spent a lot of time getting to know the Fullerton College community and learning about what makes Fullerton College such a wonderful place to learn. Beyond our nationally recognized academic programs and services, and unparalleled student support, the most significant thing I have witnessed since starting at Fullerton College in January, is the exceptional care our campus community takes in creating a welcoming, inclusive, and supportive environment for all students.

Our goal with each new semester is to help our students get closer to earning a degree or certificate, preparing for transfer to a four-year college or university, advancing in the workplace, or pursuing a new career path.

The summer schedule offers a condensed format with many flexible options to take courses online, in-person, or in a hybrid model. We offer adult-learners the opportunity to brush-up on career skills through a variety of certificate programs, and offer many enrichment courses that middle and high school students can enroll in to explore academic and career options while earning college credit.

I encourage you to explore this schedule of classes, visit our website to complete an enrollment application, and make an appointment with a counselor as soon as possible to start an educational plan. My hope is that Fullerton College serves as a community to help build your educational and career goals. I look forward to seeing you this summer.

Sincerely,

A handwritten signature in black ink that reads "Cynthia Olivo".

ADD CODES

The 6-digit Add Authorization Code is required for each class once the class begins and is only valid for the current term and class. The Add Authorization Code must be used by the add deadline of the class to guarantee official enrollment. If a student has been unsuccessful using the Add Code due to too many attempts, or the code has expired, a new Add Code must be obtained from the instructor.

ATTENDANCE/PARTICIPATION

Attendance/Participation at the first class meeting is required. Failure to attend **may** result in the instructor dropping the student from the class.

CAMPUS HOLDS

Fullerton College may withhold diplomas, registration privileges, or any combination thereof, from any student or former student who has failed to clear a campus obligation (unpaid balance of enrollment fees, returned check, unpaid loan, equipment not returned, equipment breakages, unpaid fines or materials owed to the library, etc.).

CLASS CANCELLATIONS

Fullerton College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COREQUISITES (Concurrent Enrollment)

A course that a student must enroll in at the same time as the desired course — in some instances the corequisite course may be taken prior to the desired course. If the corequisite is taken prior to the desired course, a grade of C or better must have been earned.

COURSE REPETITION

If you are repeating a course due to a substandard grade or W (for a non-repeatable course):

- Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances. Go to <https://admissions.fullcoll.edu/downloadable-forms/>.
- When repeating a course with a substandard grade and submitting an Appeals Petition, the last grade earned will count toward the grade point average and the previous grade(s) will be discounted or forgiven.
- Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.

If you are repeating a course that allows repeats, whether you received a grade or W:

- A course may only be repeated the number of times indicated in the catalog.
- Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course.
- Fine Arts, Physical Education, and other active participatory courses that are related in content must be grouped. Each individual course within a group is not repeatable and students are only allowed an allocated number of maximum attempts of courses within each group. (For example: if there is a maximum of four attempts within a group of six courses a student will only be allowed to complete four of the six courses). If a student receives a W in one of the courses within a group they will be allowed a second attempt without a petition of that course but the attempt that resulted in the issuance of a W counts as one of the attempts within the group of courses.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

DUPLICATE COURSE

Students may not register for two classes with the same course number and title.

MAXIMUM UNITS/HOURS

A maximum unit load for any student is 19 units per term. Students may register over 19 units only with a counselor's approval.

Registration Policies/Procedures (continued)

MILITARY WITHDRAWAL

A student called to military service during a semester in progress should complete and submit an Extenuating Circumstance petition to have a “WM” (military withdrawal) noted on the student’s academic transcript. A copy of military orders is required. Go to <https://admissions.fullcoll.edu/extenuating-circumstances-petition/>.

OPEN ENROLLMENT

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

PASS/NO PASS

If a course is listed in the College Catalog as “Letter Grade or Pass/No Pass Option,” a student may choose to take the course with a P/NP grade. Log in to **myGateway**, go to “Registration Tools” and click “Update Grade to Pass/No Pass.” Once the request is submitted, the grading option is **not** reversible.

PAY YOUR FEES

Students who are enrolled in classes and have not paid fees will have a hold placed on their records. Unpaid fees may be collected at a later date through the Chancellor’s Office Tax Offset Program (deducted from your tax refund).

PETITIONING CLOSED CLASSES

Students may petition closed classes by attending the first meeting. If space permits, the instructor will issue an Add Authorization Code, allowing students to add the closed class online through **myGateway**. Students are not officially registered until the class has been added online.

PREREQUISITES

A course that a student must pass (with a grade of C or better) before enrolling in the more advanced course. In some instances, an assessment exam with qualifying scores, or prior knowledge and/or experience that a student possesses may also be accepted as a prerequisite for a course.

PRIVACY RELEASE

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the College may release or publish, without the student’s prior consent, items in the category of public information, which include the student’s name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Any student who wishes to withhold directory information must submit a Disclosure of Personal form to the Admissions and Records Office. Go to <https://admissions.fullcoll.edu/downloadable-forms/>

Directory information will then only be provided to individuals who have a current written and signed release from the student.

SCHEDULE/BILL RECEIPT

The Schedule/Bill receipt is proof of enrollment in classes and fees paid for the term. Schedule/Bill receipts are available in **myGateway**. Students should check the Schedule/Bill receipts carefully to verify registration and fee payment. Instructors, labs and any office on campus may request to see a student’s Schedule/Bill receipt prior to providing services.

TIME CONFLICT

Students are not permitted to register for two classes that are scheduled during the same or overlapping time periods, *even if the instructor will allow it*. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses.

VARIABLE UNIT COURSES

Units may be increased/decreased **no later than the withdrawal deadline of the course**. Additional fees will be charged for increased units and refund deadlines are enforced when decreasing units.

WITHDRAWAL POLICY

While an instructor may drop a student for excessive absences, it is the student’s responsibility to officially withdraw from a class. Instructor approval is not required. Students must drop/withdraw classes by the appropriate deadline date through **myGateway**.

Full-Term Classes

First two weeks of the term: The student or the instructor may initiate a drop from the course. No notation shall be made on the student’s academic record. For the exact date, refer to the “**Calendar of Important Dates**” in this class schedule.

3rd week through 12th week: The student or the instructor may initiate a withdrawal. A W shall be recorded on the student’s academic record.

Short-Term Classes

For all short-term classes, refer to the online searchable class schedule or your schedule/bill for specific course deadline dates. Every effort has been made to ensure the accuracy of these dates. These dates are subject to change without notice to comply with State accounting regulations.

Open Entry Classes

Whenever possible, Open Entry classes shall be treated according to the regulations for Full-Term Classes and Short-Term Classes.

Failure to officially withdraw from a class may result in a grade of F or NP.

Residency for Tuition Purposes

(per Education Code, Section 68060)

The Office of Admissions and Records determines the residency status of all new and returning students. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. It is the student's responsibility to provide documentation that clearly demonstrates both physical presence and the intent to establish California residence. A student who does not submit adequate information to establish the right to classification as a California resident will be classified as a nonresident for tuition purposes. Some visa types are precluded by federal law from establishing residency.

The residence determination date is the day immediately preceding the opening day of instruction of the semester as set by the Board of Trustees. Generally, residency requires actual physical presence in California at least one year prior to the residence determination date, coupled with proof of intent to make California one's home. Generally, California residency is established by one of the following:

1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant's parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
3. If the applicant is 19 years of age or older, the applicant must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Non-citizen students with a visa status which does not preclude them from establishing residency in California (for example: permanent resident visa or amnesty approval) must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Factors Considered to Determine Residency

A person's presence in California and the factors below are considered in determining California residency. No one factor determines residency.

- Being licensed to practice a profession in California
- Filing California State Income taxes as a resident
- Having an active checking and/or savings account in California
- Having paid nonresident tuition in another state
- Owning residential property in California for personal use
- Possessing a California Driver's License and vehicle registration in California
- Showing proof of employment in California
- Possessing a divorce decree issued in California
- Voting in California
- Showing California as "home of record" on military records (DD214 or Leave and Earnings Statement)
- Being an active military member, military veteran, or a military dependent

IMPORTANT: Residency classification is determined for each student when the admission application is accepted. Any student who is classified as a resident, but who becomes a nonresident at any time by virtue of a change of residence, by his or her own action or by the person from whom his or her residence is derived, is obligated to notify the Admissions & Records office immediately.

Nonresident Student

A student's residence status is determined at the time of application. A student classified as a nonresident must pay nonresident tuition in addition to the enrollment fee and other fees (including a Capital Outlay Fee per Ed Code 76141) for credit classes.

Residency for Tuition Purposes (continued)

Assembly Bill 540

Any student, other than one with a nonimmigrant visa status, who meets all of the following requirements, shall be exempt from paying nonresident tuition at all public colleges and universities in California. (Students who have been granted a T or U visa status are also exempt per AB1899).

The requirements are:

- Attended high school in California for three or more years, **OR**
Attended a combination of California high school, California adult school, and/or California Community College for the equivalent of three or more years of full-time attendance, **OR**
Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work **and** attended a combination of elementary, middle/secondary, and/or high schools in California for a total of 3 or more years, **OR**
Attained credits earned in California from a California Community College equivalent to three or more years of full-time credit (or the part-time equivalent). This is equivalent to 72 semester units or 108 quarter units.
- Graduated from a California high school or attained the equivalent (i.e., GED or Certificate of High School Proficiency) prior to the start of the term, **OR**
Attained an associate degree from a California Community College, **OR**
Completed the minimum requirements at a California Community College for transfer to a California State University or University of California.
- In the case of a person without lawful immigration status, the filing of an affidavit with the college stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- All students who meet AB540 requirements must file an affidavit with the College. The affidavit is included in the California Nonresident Tuition Exemption form which is available on the Admissions and Records website <https://admissions.fullcoll.edu/residency/#ab540> and Class Schedule (see Nonresident Tuition Exemption form in the back of the Class Schedule).
- Students living outside the state and enrolled in distance education are not eligible for the AB540 exemption.

Senate Bill 141

This bill requires districts to exempt nonresident tuition from a nonresident student who is a U.S. citizen and who resides in a foreign country, if that student meets all of the following requirements:

- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the federal Immigration and Nationality Act and demonstrates a financial need for the exemption.
- Moved abroad as a result of the deportation or voluntary departure and lived in California immediately before moving abroad.
- Attended a public or private secondary school in California for three or more years.
- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.
- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.
- Documentation shall be provided by the student as required by statute as specified in Education Code section 76140(a)(5).

Assembly Bill 2364

This bill mandates Community College districts to exempt all qualifying nonresident special part-time students, who meet the requirements set forth in Section 76140 of the Education Code, from the requirement to pay nonresident tuition for community college credit courses. This exemption does not apply to special full-time students.

This exemption is not intended to apply to categories of students who would be precluded from qualifying for the AB540 nonresident tuition exemption, i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most nonimmigrant visas.

Assembly Bill 1232

(amends Section 76140 of the Education Code)

This bill amends existing nonresident tuition for a student who enrolls in an English as a Second Language (ESL) course if they are (1) a recent immigrant; (2) a recent refugee; or (3) a person who has been granted asylum by the US. This exception applies only to individuals who, upon entering the US settled in California and have resided in California for less than 1 year. Only the tuition fee for the ESL course is exempt.

DON'T DELAY YOUR REGISTRATION

Frequently Asked Questions...

WAITLISTS

What is a waitlist?

A waitlist is an electronic list of students who would like to enroll in a closed class. Waitlisting does NOT guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on to a waitlist?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes.**” Enter the CRN of the class. If the class is closed you will be given the option of adding to the waitlist if waitlist seats are available. To place yourself on the waitlist, use the drop-down menu and select “**Waitlist**”, then click “**Confirm Your Choices.**”

Can I add to more than one waitlist?

Yes, you can add to more than one waitlist for different subjects but you CANNOT add to more than one waitlist for the same course.

How can I monitor my waitlist position?

Log on to myGateway, go to “**Registration Tools**” and click “**Check Waitlist Status.**” If a seat is available for you to attempt to add, you will see a date and time in the “**Notification Expires**” field.

How will I know if a seat in the class becomes available while I am on the waitlist?

If a seat becomes available, you will be notified via “**Announcements**” on myGateway. We strongly recommend that you check your **Personal Announcements** daily! As a secondary means of notification, we will also send a waitlist notification to your preferred email address on file.
(See the following email notice)

Important Student Email Information

Students have reported undelivered, delayed, and/or blank emails from various email providers. We strongly suggest that students frequently monitor the “**Announcements**” window in myGateway for messages regarding waitlisting.
The college is NOT responsible for undelivered, delayed, or incomplete email from ANY email provider.

How do I add the class once I am notified via “Announcements” or Waitlist email notification?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes.**” Go to the specific waitlisted class in your list of classes and use the drop-down box to register for the course. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration.**”

How long do I have to add the class when a seat is available and what if I miss my 48 hour deadline to add?

Once a seat becomes available you have **48 hours** to add the class **OR** until midnight prior to the start day of class, whichever comes first. If you miss the deadline to add the course your name is automatically removed from the waitlist and the next waitlisted student is notified.

What if I am on a waitlist and no seat becomes available before the first class meeting?

Waitlisting does NOT guarantee enrollment into any class: You must attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization code. Be advised that although an instructor may give a waitlisted student an add authorization code, it is the student’s responsibility to officially register into the class through myGateway.

What if I am on a waitlist and the instructor provides me with an Add Authorization Code at the first class meeting?

IMPORTANT — You cannot add a course with an Add Code until the first class meeting. Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes.**” Go to the specific waitlisted class and click “**Waitlisted - Drop**” to drop from the waitlist. Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration.**” It is the student’s responsibility to verify class enrollment. Print your schedule/bill and make sure there is an “**RW**” registration status next to each course:

**Convenient, flexible, and accessible on and off campus.
Same application, registration, credits and fees as on-campus courses.**

IMPORTANT:

- Distance Education courses may require course log-in by a required date, on-campus attendance for an orientation meeting, and/or taking tests and exams. Refer to Schedule of Classes for course specific information.
- Distance Education courses may require the use of proctoring software for exams or other additional software.
- Distance Education courses are taught using Canvas. Courses may not be available or show up on Canvas until the first day of the semester.
- Students are responsible for the compatibility of personal devices.
- Basic skills include using email, a word processing program, saving documents, taking screenshots, uploading documents, downloading documents, and navigating the internet.

Cosmetology

SB 803 effective January 1, 2022

The current FC Cosmetology Program will remain at 1,600 hours until a new program is submitted to the State Board for approval. The two major changes with SB 803: Reduces cosmetology program hours to 1,000 and removes the practical examination.

Fullerton College will continue the approved 1,600 hour program until a new 1,000 hour program is approved. The approval process may take significant time. Fullerton College will issue a proof of training endorsement upon successful completion of the current 1,600 hour program per State Board rule.

Only continuing students in Levels 4 and 5 will remain on Zoom summer semester.

Learners enrolling in the program must purchase a student lab kit and Pivot Point textbooks. The cost of the kit and textbooks is approximately \$2,827 not including sales tax. The required kit is divided into two modules. The first kit module costs approximately \$930 not including sales tax. This module must be purchased **one or two weeks before the start of class.**

The second module of the kit is to be purchased two weeks before completing the first level of the Cosmetology Program. The second module costs approximately \$1,295 not including sales tax. Both modules will be inventoried with the learners to ensure all of the parts of the kit are included (kit and book costs subject to change).

Uniforms and close-toe shoes are required by the State Board. BEFORE PURCHASING A UNIFORM AND SHOES LEARNERS MUST GET THE APPROVAL BY THE INSTRUCTOR. Other expenses for materials totaling approximately \$600 will be needed during the program.

It is important that cosmetology learners register early in order to receive information before the first day of school.

For information please visit the Cosmetology Program web site

Mathematics

- Questions about math placement?
- Confused about which math class to take?
- Want more information on taking math classes using Zoom, online or in a hybrid format?
- Want information on enhanced courses?

Be sure to work with your counselor to ensure you enroll in the appropriate classes for your major and transfer plans. You can also contact the Math Department at: math@fullcoll.edu.

ONLINE RESOURCES

Almost all math classes require the use of online homework programs which come with a new textbook, or which can be purchased separately. These programs also include tutorials and other resources and can be accessed from computers on campus or from your computer at home with high speed internet access. You may wish to contact your instructor or the Math Department (math@fullcoll.edu) before classes begin to find out what online resources are used and any technology requirements for the class.

MATH LAB

The Fullerton College Math Lab will offer both in-person and remote tutoring in Summer 2023. Whether in the Lab or on Zoom, students will find instructors and qualified tutors available for assistance in solving mathematical problems or in understanding mathematical concepts at all levels. A list of the times when faculty and tutors are available to assist with specific courses will be provided. At the first class meeting, your instructor will explain how to enroll in MATH N01 F, a non-credit, zero-unit tutoring course and how to access the services.

Math Lab Hours of Operation will be posted on the Math Lab webpage:
<https://math.fullcoll.edu/math-lab/>

MATH ONLINE AND HYBRID CLASSES

All math classes cover exactly the same material no matter how they are offered.

ONLINE classes require the use of a web-based course management system, such as MyMathLab. These are not self-paced classes. Students will need to keep up with the schedule set by the professor and check regularly for any updates. Each class will have dated assignments and tests, and students will be expected to meet those deadlines. Students will be required to meet for at least two in-person activities for all online courses. Online classes work well for highly self-motivated students.

HYBRID classes meet partially on campus, in addition to accessing online instruction, resources, and assignments.

Some assessments may result in the student being required or recommended to take MATH 031 F as a concurrent support course instead of taking a prerequisite course.

This is one of two pre-calculus courses. Topics covered include a review of the fundamentals of algebra, rational, exponential and logarithmic functions, and miscellaneous topics. This course may be taken prior to or concurrently with MATH 142 F. Both MATH 141 F or MATH 141HF and MATH 142 F are required for enrollment in MATH 151 F.

COLLEGE POLICIES/PROCEDURES

AUDITING COURSES

An enrolled student who intends to audit a class must file a "Petition to Audit" form **by the add deadline of the class**. Go to <https://admissions.fullcoll.edu/downloadable-forms/>. The audit fee is \$15 per unit. Refer to the College Catalog for more details.

COURSE PROGRESSION

A student is expected to take courses on an accepted progressive basis. The student will not receive credit for classes which are considered lower in degree of advancement than those already taken.

(EW) EXCUSED WITHDRAWAL

Excused Withdrawal occurs when a student is permitted to withdraw from course(s) due to specific events beyond the control of the student and may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances beyond the control of the student affecting his/her ability to complete a course(s).

Students must submit an Extenuating Circumstance Petition to the Admissions & Records Office. The EW grade does not count in calculation of probation or dismissal and is not counted as an enrollment attempt for purposes of course repetition. It is recommended that students meet with a counselor to discuss options and how an EW may affect their academic goals.

Please note that the EW grade does count in the Federal financial aid Satisfactory Academic Progress Calculations. A student should consult with the financial aid staff regarding any impact. Title 5 Sections 55024 (See AR 5075 Course Adds, Drops and Withdrawals).

GRADES

Grades are available via **myGateway** approximately two weeks after the class ends. Log in to **myGateway**, click **Student** on the left-hand side and click **Student Records**.

Incomplete (I) Grades

If an Incomplete (I) is received, the student **cannot** re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

MATRICULATION APPEALS PROCEDURES

A Matriculation Appeals Petition may be filed for any of the following concerns:

Review of Placement Decisions

The student must make an appointment to see the Dean of Counseling. If the Dean of Counseling is unavailable within three (3) working days, the student shall take the appeal directly to the Dean of Humanities or Dean of Mathematics as appropriate. The student must include documentation and/or information to support the appeal.

Student Rights to Challenge Prerequisites and/or Corequisites

Section 55003 of Title V states: Any prerequisite or corequisite may be challenged by a student on one or more of the grounds listed below. The student shall bear the initial burden of showing that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the district's process for establishing prerequisites and corequisites.
2. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
3. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
4. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.

REQUEST TO EXCLUDE D or F GRADES

If a student has previously received a D or F grade in a course taken at Fullerton College and repeats exactly the same course and earns a higher letter grade, the student may petition to exclude the D or F grade from his or her cumulative grade point average. Petitions are available online <https://admissions.fullcoll.edu/downloadable-forms/>. Refer to the College Catalog for complete information.

STUDENT INFORMATION

Address, phone number, and email should be kept current and updated to receive important information from the college. <https://admissions.fullcoll.edu/downloadable-forms/>.

For an accurate 1098-T Tuition Statement, it is required by the IRS that you have your legal name and SSN on file (the same name and number that is on your Social Security card.)

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION APPROVED COURSE LIST 2022–2023

IMPORTANT NOTE: Courses on this list are approved for the academic year 2022–2023 which begins with the Fall semester, 2022. This list is valid through Summer 2023. New courses for 2022–2023 are listed in **bold**.

Students wishing to use a course to meet a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. Courses on this list are approved by the CSU Chancellor's Office for the 2022–2023 academic year. *There are no catalog rights for CSU certification.*

Previous CSU General Education Approved Course Lists are available at www.assist.org. Information is also available at the Fullerton College Transfer Center and the Fullerton College Counseling Resource Center, or you may request verification from a counselor.

Fullerton College will certify courses taken at other California community colleges in the area designated by the offering college. Courses taken at California four-year colleges or accredited out-of-state two year or four-year colleges will be certified if they are equivalent to courses on the CSU GE course list. Courses from foreign institutions cannot be used in the certification process.

Certification is not automatic and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions and Records Office and will occur when final transcripts are sent to the CSU. Students requesting CSU GE "pass along" certification must complete at least 12 transferable units at FC.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2022–2023

Completion of the IGETC will permit a student to complete their lower division G.E. requirements to either the California State University (CSU) or University of California (UC) system. Courses on this list are approved for the academic year 2022–2023 which begins Fall Semester, 2022. This list is valid through Summer 2023. New courses are listed in **Bold**. It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. **A grade of “C” or higher is required in ALL coursework used for IGETC certification.**

IMPORTANT NOTE: Students enrolled in high unit majors (i.e., architecture, computer science, engineering, sciences) are frequently recommended not to use IGETC to meet general education certification but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop an academic educational plan.

It is recommended that all IGETC requirements be completed prior to transfer. If you are unable to complete one or two IGETC courses in the final term before transfer, you may be eligible to complete IGETC after transfer, providing that those courses are not among those required for admission. See your counselor for more information.

Certification is not automatic, and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions and Records Office.

DRUG-FREE AND ALCOHOL-FREE DISTRICT POLICY

The Federal Government has mandated that as of October 1, 1990, there will be no drug usage by students, staff or faculty on college campuses anywhere in the United States.

On January 13, 1992, the Board of Trustees of the North Orange County Community College District adopted the following policy statement to comply with the law. The policy, which is to be shared in writing with students, staff and faculty is as follows:

On November 18, 1988, Congress passed the Drug-Free Workplace Act of 1988. (P.L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The statute requires contractors and grantees of Federal agencies to certify that they will provide a drug-free workplace. Making this required certification is a precondition for receiving a contract or grant from a Federal agency.

Pursuant to the Drug-Free Workplace Act of 1988, it is unlawful to manufacture, distribute, dispense, possess, or use controlled substances at all District worksites and/or while in the performance of District business or attending a District event or program.

The Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226) amends the previous law of 1988 to include that it is also unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in the workplace or at any District activities or events or while performing District business.

Compliance for Employees

The District intends to make every effort to provide and maintain a drug-free workplace. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the district. Any employee violating this policy will be subject to disciplinary action which may include termination. Any employee convicted under a criminal drug and/or alcohol statute for conduct in the workplace or while on District business must report this conviction within five (5) calendar days to the Vice Chancellor, Human Resources.

Compliance for Students

The District intends to make every effort to provide and maintain a drug-free campus. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the District. All students are required to comply with this policy as a condition of their continued enrollment. Any student violating this policy will be subject to disciplinary action, including suspension, and up to expulsion.
