Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Grand Street Settlement, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Grand Street Settlement, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Audit Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Grand Street Settlement, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Policy

As discussed in Note 2 to the financial statements, Grand Street Settlement, Inc. adopted Financial Accounting Standards Board Topic 842, *Leases*, using the effective date method with July 1, 2022 as the initial date of adoption, with certain practical expedients available. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grand Street Settlement, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grand Street Settlement, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grand Street Settlement, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2023, on our consideration of Grand Street Settlement, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Grand Street Settlement, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Grand Street Settlement, Inc.'s internal control over financial reporting and compliance.

1. Organization

Grand Street Settlement, Inc. ("Grand Street"), founded in 1916, provides services to 17,500 people of all ages in the Lower East Side of Manhattan and in neighborhoods across Brooklyn. These programs fall into four broad and inter-related categories: early childhood education, youth and community development, benefits assistance, and older adult services. Through these programs, Grand Street empowers individuals and families to move along a spectrum from surviving to stabilization, then strengthening, and ultimately to a place where they can thrive.

Grand Street promotes and maintains high standards in its programs, which are locally and nationally recognized for excellence. The vast majority of Grand Street's programs are provided at no cost to participant families.

Grand Street, a not-for-profit organization, has been granted tax-exempt status under Internal Revenue Code (the "Code") Section 501(c)(3). In addition, Grand Street has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code.

Grand Street notes one notable event in the most recently completed fiscal year:

80 Pitt St. Program Relocation

The Community Center at 80 Pitt St, Grand Street's largest building and one of the few to offer its complete suite of services under one roof, is undergoing a long-planned capital renovation and modernization. In the spring and early summer of 2021, its programs were relocated to nearby Grand Street sites, and the building was closed for construction on July 7, 2021. Program and administration staff relocations included:

- Early Childhood: Manhattan Child and Family Center (294 and 300 Delancey St).
- Youth: AmeriCorps - Beacon Cornerstone Community Center (145 Stanton St.); Project Speak Out Loud - Rutgers Community Center (200 Madison St.); Technology Clubhouse - Best Buy Teen Tech Center (168 Broome St.); SONYC afterschool program,
- Seniors: Programs - Essex Crossing Community Center (175 Delancey St.)
- Food pantry - BEST NORC (72 Columbia St.)
- Benefits Assistance - Essex Crossing Community Center (175 Delancey St.)
- Human Resources staff - Essex Crossing Community Center (175 Delancey St.)

Construction has been substantially complete as of June 30, 2023. These programs will reoccupy their spaces at 80 Pitt St during fiscal year 2024.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Change in Accounting Policies

Grand Street adopted Financial Accounting Standards Board (“FASB”) Topic 842, *Leases*, using the effective date method with July 1, 2022 as the date of initial adoption, with certain practical expedients available.

Grand Street elected the available practical expedients to account for its existing operating leases as operating leases, under the new guidance, without reassessing whether the contracts contain leases under the new standard, whether classification of capital (now finance) leases or operating leases would be different in accordance with the new guidance, or whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at least commencement.

Grand Street elected the hindsight practical expedient to determine the lease term for existing leases. The election of the hindsight practical expedient resulted in the shortening of lease terms for certain existing leases.

As a result of the adoption of the new lease accounting guidance, Grand Street recognized an operating and finance lease liability of \$1,680,938 and \$396,299, which represents lease payments of \$1,869,976 and \$428,432, discounted using a weighted average discount of 3.15% and 4.75% and a right of use asset of \$1,680,938 and \$396,299, which represents the operating and finance lease liability at July 1, 2022.

Classes of Net Assets

Net assets, revenue, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Net assets without donor restrictions are those currently available at the discretion of the Board for use in the operations of Grand Street. Net assets with donor restrictions are restricted by donor imposed restrictions as to use or time made available. When a restriction expires, restricted net assets are re-classified to net assets without restrictions and reported in the statements of activities as net assets released from restrictions. Certain restricted amounts contain donor imposed restrictions to be maintained in perpetuity by Grand Street.

2. Summary of Significant Accounting Policies *(continued)*

Cash and Restricted Cash

Restricted cash includes funds that are restricted as to use by Grand Street. The following is a reconciliation of cash and restricted cash reported on the statements of financial position to the statements of cash flows at June 30:

	<u>2023</u>	<u>2022</u>
Cash	\$ 2,533,863	\$ 1,296,105
Cash, limited as to use	<u>27,398</u>	<u>600,000</u>
	<u>\$ 2,561,261</u>	<u>\$ 1,896,105</u>

Contributions and Promises to Give

Unconditional promises to give are recognized as revenue when donors make a promise to give. Contributions received are classified as net assets without donor restrictions or net assets without donor restrictions support depending on the existence or nature of any donor restriction. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the estimated future cash flows. The discounts on those amounts are computed using a risk adjusted rate of interest applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

All contributions are considered available for general use unless specifically restricted by the donor. Marketable securities contributed are recorded at fair value at the date of contribution.

Donated Occupancy and Services

Donated occupancy expense is recorded for space provided to Grand Street for program purposes for which rent is not currently being charged. The donated transactions are reviewed periodically to ensure that estimates recorded reasonably reflect the estimated fair value of contributed rent. Contributed professional services are recognized if the services create or enhance nonfinancial assets or require specialized skills, and are provided by individuals possessing those skills and would be purchased if the donation was not provided.

Grand Street Settlement, Inc.

Notes to the Financial Statements June 30, 2023 and 2022

2. Summary of Significant Accounting Policies *(continued)*

For the years ended June 30, Grand Street received the following donated goods and services:

	2023	2022	Program/Activities	Restriction	Fair Value Techniques
Occupancy	\$ 2,106,752	\$ 2,152,079	Program services/management and general	None	Estimated based on current market rate per square foot
Therapists	69,974	142,983	Program services	None	Estimated based on usual and customary rates of the vendor
Early childcare services	<u>1,452,480</u>	<u>1,386,635</u>	Program services	None	Estimated based on usual and customary rates of the vendor
	<u>\$ 3,629,206</u>	<u>\$ 3,681,697</u>			

Due from Government Agencies and Allowance for Doubtful Accounts

Grand Street records revenue based on established rates or contracts for services provided. Grand Street determines whether an allowance for uncollectible amounts should be provided based on management's evaluation and collectability of the aged basis of its receivables, current economic conditions, subsequent receipts and historical information. Government contracts and accounts receivable are written off against the allowance for doubtful amounts when all reasonable collection efforts have been exhausted. At June 30, 2023 and 2022, the allowance for doubtful accounts was \$948,229 and \$960,000.

Fair Value of Financial Instruments

Grand Street follows U.S. GAAP guidance on fair value measurement which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist. There are no level 3 investments held at June 30, 2023 and 2022.

Investment Valuation and Investment Income Recognition

Investments are carried at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the determination of the change in net assets.

Grand Street Settlement, Inc.

Notes to the Financial Statements

2. Summary of Significant Accounting Policies *(continued)*

Property and Equipment

Property and equipment purchases are capitalized if the cost, or fair value at date of donation, is \$1,000 or more and the useful life is greater than one year. Property and equipment is depreciated over their estimated useful lives using the straight-line method. The cost of property and equipment financed by government funding sources is expensed when incurred if the contractual agreement specifies that title to these assets rests with the governmental funding source rather than Grand Street. Construction in progress is transferred to leasehold improvements when the construction is substantially complete and the assets are placed into service. The estimated useful lives of the assets are as follows:

Leasehold improvements	15 years
Computer equipment	3 years
Furniture and fixtures	5 years

Property and equipment are reviewed for impairment if the use of the asset significantly changes or another indicator of possible impairment is identified. If the carrying amount for the asset is not recoverable, the asset is written down to the fair value. There were no asset impairments for the years ended June 30, 2023 and 2022.

Government Grants

Revenue from government grants is recognized when reimbursable expenses are incurred under the terms of the contracts. Contract payments in excess of or less than qualified expenses are accounted for as advances from government agencies or due from government agencies.

At July 1, 2021, contract assets consisted of the following balances:

Due from government agencies, net	\$ 8,176,135
Advances from government agencies	670,349

Advertising Costs

Advertising costs are charged to operations when incurred. Advertising costs were \$73,002 and \$182 for the years ended June 30, 2023 and 2022.

Leases

At July 1, 2022, Grand Street leases space for programs and determines if an arrangement is a lease at inception. Operating leases are included in right-of-use operating lease assets ("ROU assets") and right-of-use operating lease liabilities on the accompany statement of financial position.

Grand Street Settlement, Inc.

Notes to the Financial Statements
June 30, 2023 and 2022

2. Summary of Significant Accounting Policies *(continued)*

Leases (continued)

Finance lease asset and liability are included on the accompanying statement of financial position. Finance lease represents the right of use of an underlying asset for the lease term and finance lease liability represents the obligation to make lease payments arising from the lease. Finance leases are recognized at the lease commencement date based on the present value of lease payments over the lease term.

Grand Street's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

For the year ended June 30, 2022, operating lease payments were charged to rent expense, following Topic 840 Leases guidance. Rent expense is recorded on a straight-line basis over the life of the lease, unless another systematic and rational basis is more representative of the time pattern in which the benefit is derived from leased property, in which case that basis shall be used.

Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services. Such allocations are determined by management either in accordance with grant provisions or by the division of employee time. Most of these expenses are allocated based on an assessment of where employees' time is spent. Certain other expenses are allocated on a square footage basis.

Measure of Operations

Grand Street includes in its measurement of operations, all revenue and expenses that are an integral part of its programs and supporting activities. Non-operating activities include gain on sale/disposal of property and equipment, government grants for capital purpose, loan forgiveness, and investment return, net of amount designated for current use.

Uncertainty in Income Taxes

Grand Street recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that Grand Street had no uncertain tax positions that would require financial statement recognition or disclosure. Grand Street is no longer subject to examinations by the applicable taxing jurisdictions for years prior to June 30, 2020.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is December 22, 2023.

Grand Street Settlement, Inc.

Notes to the Financial Statements
June 30, 2023 and 2022

3. Concentration of Credit Risk

Financial instruments which potentially subject Grand Street to a concentration of credit risk are cash accounts with financial institutions in excess of federally insured limits, investments and receivables. At June 30, 2023 and 2022, Grand Street exceeded Federal Deposit Insurance Corporation limits by \$2,524,298 and \$1,407,149. Grand Street's investments are managed by professional management firms and are reviewed by the Board of Directors. Investment holdings at financial institutions insured by the Securities Investor Protection Corporation ("SIPC") are insured up to \$500,000 (\$250,000 for cash holdings). At times, such amounts may exceed the SIPC limit. At June 30, 2023 and 2022, Grand Street's uninsured investment holdings totaled \$5,147,681 and \$4,882,271.

Grand Street grants credit without collateral relative to government contracts. The reimbursement for services provided is expected to be collected in the normal course of business.

4. Contributions Receivable

Contributions receivable at June 30, consist of the following:

	<u>2023</u>	<u>2022</u>
Contributions due:		
Within one year	\$ 1,562,539	\$ 940,623

For the year ended June 30, 2022, an asset with a cost of \$12,031 and accumulated depreciation of \$7,842 was sold for \$9,000 resulting in a gain of \$4,118. No assets were sold during the year ended June 30, 2023.

In 2023 and 2022, Grand Street continued renovating their lower east side location at 80 Pitt Street. This renovation focuses on upgrading the space for current accessibility requirements, fire safety standards and needed upgrades to the facilities. Grand Street anticipates that the renovation will cost approximately \$16.1 million.

8. Pension Plan

Grand Street maintains a defined contribution pension plan covering all full-time employees. Grand Street's contributions are based on specified percentages of each employee's salary. Pension expense for the years ended June 30, 2023 and 2022 totaled \$617,141 and \$475,551.

10. Endowment Funds

General

Grand Street maintains various donor-restricted funds whose purpose is to provide long term support for its programs. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

On September 17, 2010, New York State adopted its version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). New York State's version of UPMIFA is known as NYPMIFA. NYPMIFA includes provisions that differ from previous law, including the elimination of the historic dollar value rule with respect to endowment spending, establishment of new standards governing the expenditure and modification of restrictions on endowment funds, and revision of the prudence standard for the management and investment of endowment funds.

10. Endowment Funds (continued)

Interpretation of Relevant Law

The Board of Directors of Grand Street has interpreted NYPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Grand Street classified as net assets held in perpetuity the original value of gifts donated to the perpetual endowment, the original value of subsequent gifts to the perpetual endowment, and accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as net assets held in perpetuity is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by Grand Street in a manner consistent with the standard of prudence prescribed by NYPMIFA.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate objectives within the established risk parameters, Grand Street's assets are divided into asset classes consisting of equities and fixed income investments.

Return Objectives and Risk Parameters

Grand Street's endowment investment policy is to invest in a multi-asset class portfolio based on an asset allocation to satisfy overall endowment financial and investment objectives such as to preserve the principal, protect against inflation, receive stable returns and achieve long term growth. Grand Street relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

Spending Policy

Spending will be at the discretion of the Board of Directors of Grand Street as determined by the governing documents for the various restricted funds that comprise the portfolio and applicable federal and state laws. In order for Grand Street to meet its needs, its investment strategy emphasizes total return: that is, the aggregate return from capital appreciation, dividend and interest income. The primary objective in the investment management of assets is income and growth, to achieve a balanced return of current income and growth of principal. On an annual basis Grand Street's Board of Directors designates 5% of the prior year's average monthly endowment balance to be utilized for operating expenses.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may decline below historic dollar value of the donor's original permanently restricted contribution.

A deficiency of this nature exists in a donor-restricted endowment fund, which has an original gift value of \$3,460,798, a current fair value of \$3,437,292, and a deficiency of \$23,506 at June 30, 2023. There was no deficiency at June 30, 2022.

11. Liquidity and Availability of Financial Resources

Grand Street's working capital and cash flows are driven by the revenue streams of government contracts, foundation and private donations, and annual endowment draw. Grand Street's financial assets available to meet general operations over the next 12 months are \$15,378,169. Most receivables are expected to be collected within one year. Grand Street has a goal to maintain financial assets, which consist of cash and short-term investments, on hand to meet 90 days of normal operating expense.

12. Line of Credit

Grand Street has an available line of credit with BNY Mellon in the amount of \$1,960,000. This line of credit is secured by Grand Street's endowment and is payable on demand. Interest is charged at the LIBOR rate plus 175 basis points, which halted on June 30, 2023.

The interest rate is currently based on the 30 day average SOFR rate plus a spread of 1.850%. Principal may be repaid at any time with no penalty. The outstanding balance on the loan payable at June 30, 2023 and 2022 was \$1,818,592 and \$1,260,000.

For the years ended June 30, 2023 and 2022, the interest rate on the line of credit was 6.89% and 2.87%. Interest expense for the years ended June 30, 2023 and 2022 was approximately \$78,000 and \$12,500.

Notes to the Financial Statements June 30, 2023 and 2022

13. Long Term Debt

NFF Loan

In May 2020, Grand Street entered into a loan payable with Nonprofit Finance Fund (the "NFF Loan") in the amount of \$1,092,405. The loan is to be repaid in four equal payments commencing May 16, 2023 until August 15, 2023, which is the maturity date, unless the parties agree to extend the term of the loan. The loan is non-interest bearing. The NFF Loan is related to unregistered state contracts entered into by Grand Street and will be repaid once reimbursement is received. At June 30, 2023, the outstanding balance of this loan was \$204,826 and was subsequently paid off in August 2023.

In June 2022, Grand Street entered into additional loan payable with NFF not to exceed \$4,300,000 that is split into two tranches. Tranche A, which is a loan in the amount of \$2,200,000 and Tranche B, a loan in the amount of \$2,100,000. Grand Street agrees to pay interest on the principal balance of the loans on a monthly basis that commences on the first day of the first month following the first full month of the closing date. Monthly installments of principal and interest commence on the first day of the first month following the last interest only date. For the years ended June 30, 2023 and 2022, \$2,230,446 and \$1,345,866 have been drawn down. Interest was accrued in the amount of \$40,698 for the year ended June 30, 2023 and is included in the loan payable balance. There was no interest expense for the year ended June 30, 2022.

The loan payable is subject to covenants which include, a minimum annual debt service coverage ratio, as defined, of 1.20:1 commencing after project completion, \$600,000 deposited into a separate U.S. Bank National Association account which is shown as cash, limited as to use on the 2022 statement of financial position, the issuance of the audited financial statements within 180 days of Grand Street's year end. Grand Street received a waiver regarding item 3 and met all other covenants for the year ended June 30, 2023.

Paycheck Protection Program Loan

On April 17, 2020, Grand Street received loan proceeds in the amount of \$3,090,620, under the Paycheck Protection Program ("PPP Loan"). The PPP Loan, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after eight or twenty-four weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities and maintains its payroll levels.

The PPP Loan was forgiven in full by the Small Business Administration in November 2021 and recognized as PPP loan forgiveness on the statement of activities for the year ended June 30, 2022.

14. Commitments and Contingencies

Litigation

Grand Street is a party to certain legal actions arising in the normal course of operations. While it is not feasible to predict the ultimate outcome of these actions, it is the opinion of management that the resolution of these matters will not have a material adverse effect on Grand Street's financial statements.

Notes to Schedule of Expenditures of Federal Awards
Year Ended June 30, 2023

1. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Grand Street Settlement, Inc. (the "Settlement") under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Settlement, it is not intended to and does not represent the financial position, changes in net assets or cash flows of the Settlement.

3. Non-Cash Awards

For the year ended June 30, 2023, the Settlement did not have any non-cash awards, mortgage, or loan funds that should be included in the federal expenditures presented in this Schedule.

4. Indirect Cost Rate

The Settlement has elected not to use the 10 percent de minimus indirect cost rate allowed under the Uniform Guidance.

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance
With Government Auditing Standards**

Independent Auditors' Report

**Board of Directors
Grand Street Settlement, Inc.**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Grand Street Settlement, Inc. (the "Settlement") which comprise the statement of financial position as of June 30, 2023 and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 22, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Settlement's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Settlement's internal control. Accordingly, we do not express an opinion on the effectiveness of the Settlement's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Settlement's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Independent Auditors' Report

Board of Directors
Grand Street Settlement, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Grand Street Settlement, Inc.'s (the "Settlement") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Settlement's major federal programs for the year ended June 30, 2023. The Settlement's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Settlement complied, in all material aspects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Settlement and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Settlement's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Settlement's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Settlement's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Settlement's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Settlement's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Settlement's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Settlement's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Internal Control Over Compliance (*continued*)

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the Settlement as of and for the years ended June 30, 2023 and 2022 and have issued our report thereon dated December 22, 2023 which contained an unmodified opinion on those financial statements. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects, in relation to the financial statements as a whole.
