

Mount View Middle School

PROFILE

12101 Woodford Drive • Marriottsville, MD 21104 • 410-313-5545 • mvms.hcpss.org/

Mount View Middle School is a 2020 National Blue Ribbon and 2019 Maryland Blue Ribbon School of Excellence due to the contributions of knowledgeable staff, supportive parents, and intellectually eager students. The school provides students with multiple learning opportunities, both in and outside of the classroom. MVMS is committed to academic excellence for all students. The rigorous instructional program engages students through relevant, real-world classroom experiences. The instruction is designed to provide students a thorough grounding in essential knowledge and skills that will give them a leading edge in tomorrow's global environment.

The goal for a nurturing and innovative learning environment integrates teaching and learning with technology tools, cultural proficiency, PBIS, and the Common Core curriculum. MVMS students are important partners in this endeavor and share a voice in school decisions.

The talents of Mount View students are showcased through curricular activities such as chorus, chamber choir, band, jazz band, orchestra, TV studio production, as well as GT Seminars, and World Language. After-school activities such as the science olympiad, spelling bee, coding clubs, drama productions, community outreach, green team sport intramural, kindness club, yoga, dance club, and performance ensembles serve to complement these curricular programs.

As a school community, Mount View Middle values students, staff, and parents who are working together to achieve our individual best and our collective excellence. MVMS continues to embrace bold steps to promote positive school improvement. It takes a holistic view encompassing all of these elements to achieve success. The ultimate goal is to be a world-class school that works every day to leverage talent, energy, and creativity.
