Figure 8 – Make (2) 9-1/2" blocks of each type.

Assemble Quilt Top

- Referring to the quilt photo for block placement and orientation, lay out four blocks and three 1-1/2" x 9-1/2" 7755-04 Folio - Off White sashing strips in four rows, and join the blocks and sashing strips together in each row. Press the seams toward the sashing.
- To make the horizontal sashing rows, sew together four Off White sashing strips and three 1-1/2" 7755-99 Folio – Black cornerstone squares. Repeat to make three sashing strips. Press the seams toward the sashing.
- Matching adjacent seams, sew block rows and horizontal sashing strips together. Press the seams in one direction.

strip to each side of the quilt top. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.

14. Repeat Step 13 with the five 2-1/2" 3047-35 Scary Treats – Orange strips to make and add border 2.
15. Repeat Step 13 with five 1-1/2" 7755-04 Folio - Off White strips to make and add border 3.
16. For border 4, mark the quilt center along the sides, top, and bottom. Mark the center of each 6-1/2" 3054-99 Scary Border Stripe – Black border strip. Matching the centers, sew each border strip in place beginning and ending exactly 1/4" from the corners. DO NOT trim the extra length.
17. To miter the borders, fold one corner of the quilt at a 45° angle so that the border strips are directly on top of one another and the seams nest together. Place your rotary ruler on the fold of the quilt so that the long edge is against the fold and the 45° line is on the side of the seam. Draw a line from the corner of the quilt top to the outside edge of the border. Pin the borders together. Position your needle on the inside corner where the border meets the quilt.

Stitch directly on the line you have drawn to the outside edge of the border. Trim the excess fabric leaving a 1/4" seam allowance. Press. Repeat the process for the remaining three corners of the quilt.

18. Repeat Step 13 with the seven 1-1/2" 7755-36 Folio – Orange strips to make and add border 5.

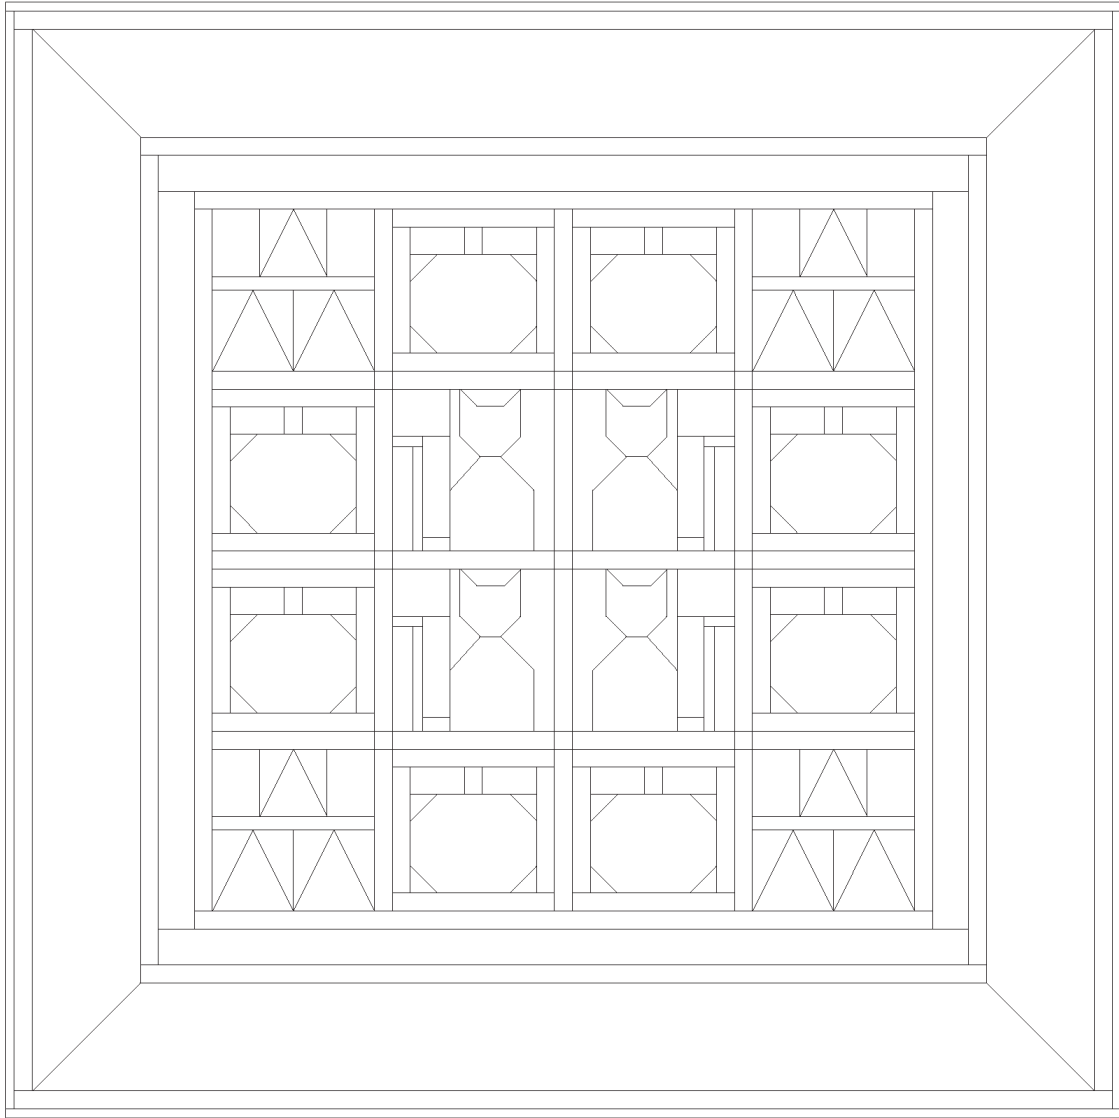

Finishing

19. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark the quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.
20. Join the seven 2-1/2" 7755-99 Folio – Black binding strips together end to end using a diagonal seam to make one long strip. With wrong sides together, fold in half lengthwise and press. Sew binding to the edges of the quilt, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
