Appendix B. Contingency Measures for ESS Interruption

- 1 In the case of ESS disruption, issuers will deliver to HKEX via email soft copies of documents for publication on the HKEXnews website within the same submission windows as when all systems are fully operational, as prescribed under the Exchange Main Board Listing Rules and GEM Listing Rules. Hard copy or faxed submissions will not be accepted by HKEX and will not comply with these requirements.
- 2 For issuers, this means that, where a soft copy of a document would otherwise be required to be submitted through the e-Submission System (ESS) by 11:00 p.m. for publication on the HKEXnews website, issuers must submit the soft copy to HKEX via email by no later than 11:00 p.m. There is also a morning window (6:00 a.m. – 8:30 a.m.), a lunch-time window (12:00 noon – 12:30 p.m.) and a window on a non-business day immediately preceding a business day (6:00 p.m. – 8:00 p.m.).
- 3 Please note that, where the headline category of any document published under these contingency measures needs to be amended, the issuer will in all cases have to make a request in writing with the Listing Division for such amendment. The issuer will not be able to make the amendment directly through ESS even where the normal prescribed time limit for amendment by the issuer has not yet expired.
- 4 The contingency measures as set out above are subject to review by HKEX from time to time. HKEX will give notice to all ESS authorised persons advising them of the detailed arrangements when contingency measures are invoked. For more details, please refer to the guide and the FAQs for the Listed Company Information Dissemination and Related Trading Arrangements in the Event of Interruption to the HKEXnews Website Service or the Information Dissemination System available on the HKEX corporate website.
