**municon Conference Centre,
Munich Airport**
Terminalstrasse Mitte 18
85356 Munich
phone: +49 (0)89 975 93 200

Directions

Arriving by plane

With its perfect location right between Munich Airport's two terminals, the municon Conference Centre is just steps away from the arrival hall.

As soon as you have passed the security control, please follow the signs to MAC (Munich Airport Center). You will then arrive in a covered outdoor area between two buildings, called Forum. Please continue straight ahead and look for the signage "municon" on one of these two buildings (depending on the terminal you are coming from, either on your left or your right).

In the passageway to the garage you will then find the elevators taking you right up to the conference centre on the eighth floor.

By train from Munich

Take the train to the final stop „München Flughafen“ / „Munich airport“

On the platform please follow the signs to „München Airport Center“ and take the escalators up to the Forum. Continue straight ahead and left following the signs to "municon".

In the passageway to the garage you will then find the elevators taking you right up to the conference centre on the eighth floor.

By car from Munich

Located right on the airport grounds, you can reach the conference centre via the motorway A9. Take the "Kreuz Neufahrn" exit and follow signs on the motorway A92 for "Flughafen Franz Josef Strauß" (airport). Your final destination should be "München Airport Center"

After you arrived and parked your car (closest garage is P26 at the Hilton Hotel), please follow the signs to „München Airport Center“ and then "municon".

In the passageway to the Forum you will then find the elevators taking you right up to the conference centre on the eighth floor.

By taxi from Munich

The address of the municon Conference Centre is Terminalstrasse Mitte 18, 85356 Munich.

As soon as you arrived at the airport, please follow the signs to „München Airport Center“ and then "municon".

Please look for "EUROSPINE EuSSAB" on the digital signage system onsite.
