

810 Study Rooms

See also related policies: Meeting Room and Lobby Use Policy (806), Library Use Policy (809).

810.1

The Iowa City Public Library provides rooms for quiet study or discussion.

810.2

A person requesting use of a study room must show some form of identification or provide contact information.

810.3

There is no fee for the use of library study rooms. All rooms are set in a standard room set-up and the person whose identification was recorded is responsible for returning the room to the standard set-up. This person may be charged for labor and materials to cover the cost of any damage.

810.4

Rooms may not be reserved in advance and time limits are placed on the use of rooms in order to provide access to as many users as possible.
