# WHAT TO EXPECT

## THE PORTRAIT - YOUR SCHOOL PHOTO

Fall school portraits will be created on a neutral color background. This allows a variety of clothing choices to look timeless.

Spring sessions may have a different option for our schools being photographed a second time in a year.

## THE LOOK - OUR STYLE OF IMAGERY

Our staff works with each child to create a head and shoulders image. As time allows, we also create images that may include a full body, 3/4 frame or even a silly or personalized expression. Our goal is to provide parents with the choice of 4-5 images of their child to choose their package(s) from.

## THE TIME - VIEW & ORDER TIMELINE

One week after photo day, your images will be available to order online. You may receive an email notification when images are ready or check with your school
