## Scottish Political Monitor - November 2022

**DEFACTOREF/2/3.** As you may know, the UK Supreme Court has ruled that the Scottish Parliament cannot hold another independence referendum without the UK Government's agreement. In this case, Nicola Sturgeon has said that the SNP will treat the next UK General Election as a 'de facto' referendum, campaigning on the single issue of independence. In this scenario, how would you vote in a General Election?

/Which party are you most inclined to support?
