Your "V-I-M" Participation

We encourage you to make your course experience more than just a free webinar added to your Christian study routine. An intentional discipline for spiritual growth—ideally with a partner—to better learn, apply, and grow in Christlikeness, will provide a launch pad from the sessions.

Here are a few suggestions to maximize this course.

- 1) READ the assigned section/chapter before each session. Capture notes in your book or electronically, reread the scriptures referenced, then review your notes again before the session.
- 2) INQUIRE - Bring questions to digest the content and engage the presenters & other students. Linger longer for the "Q&C" after each session.
- 3) DEVOTE - Meditate daily starting January 1st in [Hearing God Through the Year](#) compiled by Jan Johnson with excerpts from *Hearing God*. Here is a [Reading Plan App](#) to go with the devotional.
- 4) VIEW - Enjoy 18-22 minutes weekly over 10 weeks of the (4) videos of Dallas' [Hearing God Retreat](#). (Dallas Willard Ministries YouTube channel)
- 5) RETREAT - As part of your practice, invest one hour solo weekly with Jesus discussing your key discovery from the session.
- 6) REFLECT - At the end of the course, type or write a 300 word summary or journal entry recognizing the impact of the study and the vision of how it can, by God's grace, form your spiritual growth in Christlikeness.

** V-I-M = *Vision-Intention-Means* — Dallas calls VIM the reliable pattern for spiritual change, or any change. As you envision a life of hearing God and truly intend to want to hear God, you will seek and find the means to practice a life of hearing God. For more on V-I-M, see *Renovation of the Heart*, chapter 5 ([Webinar on the book.](#)) Another rich resource on V-I-M is in the [Life With God Bible](#) Introduction, xxv-xxxvi

Hearing God Key Themes in the book

~ Today there is a desperate need for large numbers of people throughout our various social groupings who are competent and confident in their own **practice of life in Christ and in hearing his voice.** (p. 15)

~ God walks in our midst as part of how the Kingdom of God is in our midst. (Luke 17:20-21) A person who regards **personal communion and communication with God** both as life-changing episodes and as daily bread...are people who seek to focus their minds on God, to pray moment by moment. (27)

~ I fear that many people seek to **hear God solely as a device** for obtaining their own safety, comfort and righteousness. (33)

~ Our failure to hear God has its deepest roots in a failure to understand, accept and grow into **a conversational relationship with God.** (35)

~ God is able to penetrate and intertwine Himself within the fibers of the human self in such a way that those who are **enveloped in His loving companionship** will never be alone. (59)

~ We become so close to God we don't have to wait to hear His words. We don't have to be asked but are **engaged in free-hearted collaboration with Jesus** and His friends in the Kingdom. (72)

~ A major point of this book is that **the still, small voice** is the preferred and most valuable form of communication for God's purposes. (118) Hearing this divine but small voice is what **lies at the heart of a relationship with God.** (155)

~ **Ask [God] to speak.** Listen for the voice or thought. Devoting time to another task neither engrosses or allows intense focus on the matter at hand. Be sure of how great and good God is. Look for a thought with God's quality, spirit and content. Consider discussing with others. Possibly repeat the process. Limit 2 or 3 days to the process. Being uncertain doesn't mean you haven't heard. (p. 265)

~ Hearing God 's word will never make sense except when it is set within **a larger life of a certain kind.** (p. 274)

~ ~ ~

People who practice life in Christ and hearing his voice in a conversational relationship with God, enveloped in His loving companionship, engaged in free-hearted collaboration with Jesus, know the still, small voice lies at the heart of a relationship with God within a larger life of a certain kind.

Book Excerpt - Article from *Renovaré* by Elaine O'Rourke

While The Divine Conspiracy and Renovation of the Heart are Dallas' most well-known and expansive books, Hearing God is my favorite. To my ears it is Dallas' most personal book, tender and intelligent like the man himself. In it, Dallas declares that God does indeed speak with His children. He explains the nature and acquisition of a conversational relationship with God, focusing attention at one point on distinguishing God's particular timbre from the cacophony of squawks and hisses inside our heads. In the passage (pages 31-35), Dallas gives some reasons that so many, fearing themselves deaf or God silent, have trouble noticing God's voice.

CURRICULUM — The Master’s is built on (15) courses varying in length from 3 to 31 sessions per course based on the books and teachings of Dallas Willard. Choose from a syllabus of (18) courses {on the previous page} ready-to-watch today in the JesusCollege.com library. Some courses will be offered again “live” throughout the year.

CALENDAR & TIME - The Master’s is an individually paced time frame based on when you start and how often you participate in “live” courses or watch recordings of the sessions. We use the word “cohort” but there is not a set group - “no freshman class” - nor pre-set time to commence or complete your Master’s. This is an independent study and growth training effort. We estimate for serious participation 3+ hours per week over a timespan equal to the 3+ years Jesus walked with His disciples. *3+ hours weekly for 3+ years.* Again, this is your preferred pace NOT according to a Jesus College calendar or semester syllabus.

COMMUNITY* — We are seeking the platforms to facilitate connection with other students to engage and enjoy rich diversity of Jesus’ friends from 48 countries involved in Jesus College.

COST — The “Master’s” training is offered for FREE by Jesus College. Additional personal coaching, church consulting and training, teaching or preaching at your location or virtual venue are available from Jesus College at pre-determined costs between the two parties. Financial donations are also welcomed for those who want to help further the impact of Jesus College.

COMMENTS from Jesus College Students:

- Cath from Australia, “I had another look at the website link - WOW! Amazing syllabus and I’m excited about the 3 years walk with Jesus.”
- Tony from England, “In brief, these courses have changed my view on discipleship. I feel myself a new creation.”
- Pastor Oladipo from Lagos, Nigeria, “I’ve participated in all the courses except one. It has impacted my ministry strongly because we are fine tuning our church to become a church who really does what Jesus said. The whole experience has been personally transforming for me personally and in my ministry. In time we can become the example of the kind of church Dallas has said he has never seen.”
- Judy from Virginia, “I’m definitely interested and I’ve loved everything you have offered. Everything! The idea of experiencing this with other people face-to-face is very appealing to me.”
- Don from Canada, “This Jesus College vision is on the leading edge for the future of the Christian community.”
