# JETPRO RECRUIT™

## FULL-TIME PLACEMENT OF PILOTS AND CREW.

**JetPro Recruit™** offers full-time placement services for pilots and crew—saving the time and hassle of performing your own search. Part 91 operators have the option to use crew members during a client-defined trial period, on an actual trip, before making a full-time offer, ensuring you find the right member for your team.

Other advantages include:

- Placement service available for Part 91 and Part 135 flight operations. Trial period for hiring Part 135 pilots can be through Part 91 trip(s) if available/applicable with your operation.
- Leverage our extensive **CrewTrac™** database of over 1,200 aviation professionals and growing
- Competitive rates
- The one-time placement fee, paid at the time of hire, can be reduced by trips processed during the optional trial period.
- 60-day placement guarantee to ensure you find the best fit for your operation
- Flexible payment terms, including options with no money down and the ability to begin or continue a search with no obligations
- Screening criteria is defined by you (i.e., insurance requirements and company policy)
- Thorough crew member check of FAA records, criminal background checks, safety reports, type ratings and licenses
- During the trial period (if used), JetPro remains the employer of record until your selected candidate accepts your employment offer
