# Required Communications letter

- Required to be put in writing and provided to the board of governance for all audits
- Some noteworthy items
  - GASB 95 was implemented – This standard was issued in May of 2020 and allowed postponement of certain reporting standards such as GASB 84 Fiduciary Activities.
  - Significant estimates and disclosures were identified and described
- We encountered no disagreements with Management relating to any financial accounting, reporting or auditing matters.

# Audit of the Financial Statements

- Independent Auditor's Opinion – Unmodified
- Report on Internal Control over Financial Reporting
  - No material weaknesses
  - No significant deficiencies to report
- Report on Compliance and other Matters
  - No instances of non-compliance or other matters were noted

# Audit of the Financial Statements

- Financial Highlights
  - Fund balance increase of approximately \$1.6 million in the general fund, largely due to proceeds from the issuance of debt.
  - Issuance of \$35 million in bonds
  - Reduced revenues due to shutdowns because of the COVID-19 Pandemic
  - Restricted fund balance increase to \$35 million mainly as a result of the bond proceeds.

# Audit of the Financial Statements (continued)

- Financial Highlights (continued)

- Governmental Activities -

- Increase in the OPEB and pension obligations of approximately \$25 million
      - Anticipate significant increases in OPEB in 2021 as the discount rate is expected to drop.
    - Final judgement in the Haberman litigation of approximately \$140 million, including a \$20.5 million offset
      - Unrestricted net position decreased from negative \$239 million to negative \$439 million
