

Mavs Mascot Presentation Cafeteria, Auditorium or Gym Seating

This diagram is to better help you seat the students during a Mavs Mascot Presentation. Students will be seated in the **BLUE** Sections depending on where the front of the stage is located. Prior to a Dunk Show, cones can be set up in advance for you to get an accurate count of students. The mascots and speaker will perform in the **WHITE** Sections during the show.

Please provide a **5'** aisle between section **A**, **B**, **C** and **3'** in front for staging. These clear spaces are designed for safety purposes, acrobatic dunks, giveaways and volunteer participation.
