Lucy distributed her comments (see additional attachment)

Mauer complimented the TAG for what it does have and made several suggestions for changes/improvements. Suggestions included:

- Move heavy weights to spin room
- Move spin room to heavy weight area or to one of the community rooms since it is used only 1x per day for a class
- Additional equipment requested includes:
  - Box jumps
  - Ankle weights
  - Another squat rack
  - Step climber
  - Squat bar pad
  - Additional space for dead lifting
  - Additional space for ground work
  - Additional or have available: battle ropes

Approval of Minutes: Rachel motioned to approve June 20, 2018, Mark 2<sup>nd</sup>, unanimously passed

Agenda Items #4, #5, & #6 Building & Grounds Updates/General Improvement:

- Pool will be drained 8/25, will be closed for 2 weeks
- When the pool re-opens there is a potential to have a shortage of lifeguards, 9 out of 23 recently left to head back to school, etc
- Dog Park restrooms is in question, Doug will not be bringing this up to the Park Board
- Taking landscaping off the table until more information is available
- A question was asked: Since the pool is on a deep clean maintenance schedule, is the rest of the facility?
- Carpeting throughout the facility is budgeted to be replaced next year
- Questions arose as to what the process is with the suggestion box

Agenda Item #7 Promotion Updates:

- No Packers radio slots. The budgeted money will be going towards Program Guide instead
- Possible YouTube video and include on TAG website
- Doug would like to put a survey in place in October for program ideas; put it on FaceBook, website, and paper for 3 weeks time period

Agenda Item #8 Membership Drive:

No Update

Agenda Item #9 Golf Simulator:

Considering implementing a League price break

Suggestion was to offer a pre-paid golf punch pass and possibly advertise as stocking stuff

Note:

Patti Surita and Mark Wild – both of their terms expire this month/year

Next Meeting Wednesday, September 19, 2018 at 6:30pm at TAG Center
