

Welcome to Mayville Wisconsin!

Mayville is situated one hour from Madison, Milwaukee and Appleton. We are east of the Horicon Marsh which is the largest freshwater cattail marsh in the United States. The Horicon Marsh host more than 300 species of birds annually and has recreational opportunity for all of Wisconsin's beautiful four seasons, biking, hiking, birding, snow shoeing and sightseeing adventures to last a lifetime.

The City of Mayville has more than 250 acres of parks for extended adventures, come and use the free kayaks at the Historic Mayville Park Pavilion and see what the Rock River has in stored for you and your family.

Mayville offers two public museums, a brand-new state of the art public library and an 46,000 square foot recreation center that host swimming, fitness center, gymnasium and pickle ball courts.

If you are looking for employment, Mayville is home to an abundance of manufacturing jobs to companies whose names are well known in their industry: Metal Craft, Gleason Reel, Mayville Engineering Company, Seneca Foods, Ru-Mar, Bachhuber Manufacturing, Mayville Tool & Die and Lake Country Corp.

Our Mayville school system has some of the top-rated test results in the state offering a close-knit school experience. Our high school seniors are awarded one of the largest amount of scholarships opportunities from many generous organizations within Mayville.

The city of Mayville is a safe community that emphasizes and supports in emergency services like EMS, Fire and Police protection.

Come and check out our historic downtown, built and founded in 1845 as a mining town of iron ore Mayville has truly seen its share of good and bad times in our history. We are proud to be part of the Wisconsin Main Street program.

Mayville truly is an amazing place to come and visit, live, work or play.

Looking forward to hearing from you soon,

Mayor Rob
