Services for a life without limits

## WHO WE ARE

**Back in 1967, a simple idea started our revolution.**

In a North Ryde BP service station, we hatched a plan for a world-first social enterprise, to give jobs to those who couldn't find work elsewhere. 55 years later, that spark of innovation lives on. We continue to push the envelope and offer a wide array of supports and services, working to get rid of the obstacles that limit a happy life.

"WE ARE PROUD TO  
WORK ALONGSIDE PEOPLE  
WHO ARE SO RICH IN  
COMMUNITY SPIRIT AND  
BIG OF HEART."
