Instructions and Application
New York City Special Parking Identification Permit
(a.k.a. City Disability Parking Permit)
Parking Permits for People with Disabilities (PPPD)
[Disabilities that Severely Impair Ability to Walk]

## Greetings,

In order to better serve our applicants, the New York City Department of Transportation's (DOT) Parking Permits for People with Disabilities (PPPD) Unit has put together a list of frequently asked questions that may help guide new applicants through the application process.

## How do I know if I am eligible for a PPPD permit?

If you are a resident or non-resident of the City and have a permanent disability that seriously impairs mobility and requires the use of a private vehicle for transportation, you may be eligible. *Please note that commercial vehicle plates, dealer plates or plates for a rental vehicle cannot be listed on a PPPD permit.* 

## What documentation must I provide for a PPPD permit?

Applicants are required to provide the following documents:

- A completed application and supporting medical documentation (dated within one (1) calendar year of your application) of your disability from a Medical Doctor (M.D.), or Doctor of Osteopathy (D.O.), and certified by a physician designated by the New York City Department of Health and Mental Hygiene (DOHMH). Please note that a Doctor of Podiatric Medicine (D.P.M.) cannot certify the application or submit documentation.
- A state-issued driver license, non-driver identification card, or an NYC Municipal ID (IDNYC).
   Please ensure that the name and address on your application matches the address on your identification card.

## What type of vehicle information is required?

Applicants are required to provide a copy of current and valid passenger vehicle registration for each license plate that will be listed with the permit (maximum of three plates). Please do not send photos of a vehicle's windshield sticker. DOT will not accept any license plate number(s) that have an outstanding parking violation judgment with the New York City Department of Finance (DOF). For more information about outstanding parking violation judgments, please visit the DOF website at <a href="https://nvc.gov/DOF">nvc.gov/DOF</a>. Please note if you plan to list a leased vehicle, you must enclose a copy of the lease agreement for that vehicle.

#### How should I submit my application?

- Review and sign the application.
- Enclose all information requested on the application form, including supporting medical documentation, and mail your form to:

  application is considered incomplete, they will return the information with a letter describing the
  missing information needed.
