

ANNUAL ARTS IN SCHOOLS REPORT: 2020-2021

P.S. 013 Roberto Clemente (19K013)

Principal: Maxine Cameron

Arts Education Liaison: Dionne Serrette

Dear Families,

This Individual Arts Report provides a view of the arts education opportunities provided by this school. It includes information from the 2021 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. As a former principal, superintendent and executive superintendent, I know how critical it is that arts are an essential part of the lives of our young people. For our children, their families and all New Yorkers, we turn to the arts to reconnect with our humanity, bring us solace and joy, and empower diverse voices.

For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable, inclusive, and rigorous education that includes high-quality arts instruction.

In partnership,

Meisha Porter, Chancellor

SCHOOL'S ARTS PROGRAM DESCRIPTION

At P.S. 13 Roberto Clemente, we support arts education and strive to provide all students with meaningful and exciting learning experiences that reflect all disciplines. We are firm believers that the arts can positively influence all academic areas. Our current arts curriculum is directly aligned to the Common Core State Standards. Visual Arts remains our primary arts program for Pre-Kindergarten through grade five, and is highlighted within our Wit & Wisdom literacy program, technology program and our science program. We continue to expose our students to a multitude of arts based learning experiences through residency programs, virtual field-trips and extra-curricular school-based programs. The students also participate in monthly gradewide assemblies, as well as special programs, which include: Winter Arts Festival, Black History, Spring Arts Festival, and Dance America. In addition, the students participate in a variety of events held by District 19 which includes Hispanic Heritage, Black History, and Annual Arts Festivals. We also incorporate a wide array of virtual field trips and arts based experiences through a variety of platforms including Discovery Education, the Museum of Natural History, the Brooklyn Public Library, PBS Media and the New York International Film Festival.

Note: With the shift to remote learning in March 2020, NYSED waived the unit of study instructional time requirements for the remainder of the 2020-21 school year. While schools were expected to maintain instructional continuity in students' programs, there was no expectation for schools to provide a specific amount of arts instructional time to their students during that period of time. Therefore, information on instructional hours provided to elementary school students are not included in the individual arts reports this year.
