

ANNUAL ARTS IN SCHOOLS REPORT: 2020-2021

P.S. 084 Jose De Diego (14K084)

Principal: Sereida Rodriguez

Arts Education Liaison: Gina Rios

Dear Families,

This Individual Arts Report provides a view of the arts education opportunities provided by this school. It includes information from the 2021 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. As a former principal, superintendent and executive superintendent, I know how critical it is that arts are an essential part of the lives of our young people. For our children, their families and all New Yorkers, we turn to the arts to reconnect with our humanity, bring us solace and joy, and empower diverse voices.

For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable, inclusive, and rigorous education that includes high-quality arts instruction.

In partnership,

Meisha Porter, Chancellor

SCHOOL'S ARTS PROGRAM DESCRIPTION

PS 84's arts program is a very comprehensive one following the Blueprints for Teaching and Learning in the Arts. The arts are integrated in all the content areas using a variety of media and techniques. We are very fortunate to be a part of a community that is enriched with a variety of artists, galleries and studios. Our continuous collaboration with various arts residencies have enriched the arts educations of all our students. Additionally, we have partnered with cultural arts organizations to ensure that every grade K-8 is provided with instruction in the arts that is tailored to their developmental needs and interests. Our educators and partner arts organizations are evolving arts instruction to provide students with access to rich programming regardless of it being in-person or remote.

Note: With the shift to remote learning in March 2020, NYSED waived the unit of study instructional time requirements for the remainder of the 2020-21 school year. While schools were expected to maintain instructional continuity in students' programs, there was no expectation for schools to provide a specific amount of arts instructional time to their students during that period of time. Therefore, information on instructional hours provided to elementary school students are not included in the individual arts reports this year.
