

ANNUAL ARTS IN SCHOOLS REPORT: 2020-2021

I.S. 98 Bay Academy (21K098)

Principal: Maria Timo

Arts Education Liaison: Nicole Dagosta

Dear Families,

This Individual Arts Report provides a view of the arts education opportunities provided by this school. It includes information from the 2021 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. As a former principal, superintendent and executive superintendent, I know how critical it is that arts are an essential part of the lives of our young people. For our children, their families and all New Yorkers, we turn to the arts to reconnect with our humanity, bring us solace and joy, and empower diverse voices.

For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable, inclusive, and rigorous education that includes high-quality arts instruction.

In partnership,

Meisha Porter, Chancellor

SCHOOL'S ARTS PROGRAM DESCRIPTION

The Bay Academy is a gifted and talent-based school. Students must choose two talents to audition for the school. Once admitted under that talent area you remain in that talent for 3 years. All talent areas this year met six times per week with a culminated virtual performance project at the end of the year. Students set goals and engage in peer assessment to become on-going creative learners, aligning their thinking to the Blueprints for The Arts. Teachers incorporate literacy in all areas to ensure continuity throughout the discipline areas. Students have been continuing producing their work through Google Classroom and Zoom experiences.

Note: With the shift to remote learning in March 2020, NYSED waived the unit of study instructional time requirements for the remainder of the 2020-21 school year. While schools were expected to maintain instructional continuity in students' programs, there was no expectation for schools to provide a specific amount of arts instructional time to their students during that period of time. Therefore, information on instructional hours provided to elementary school students are not included in the individual arts reports this year.
