

ANNUAL ARTS IN SCHOOLS REPORT: 2020-2021

The High School for Enterprise, Business and Technology (14K478)

Principal: Holger Carrillo

Arts Education Liaison: Mitch Schragger

Dear Families,

This Individual Arts Report provides a view of the arts education opportunities provided by this school. It includes information from the 2021 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. As a former principal, superintendent and executive superintendent, I know how critical it is that arts are an essential part of the lives of our young people. For our children, their families and all New Yorkers, we turn to the arts to reconnect with our humanity, bring us solace and joy, and empower diverse voices.

For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable, inclusive, and rigorous education that includes high-quality arts instruction.

In partnership,

Meisha Porter, Chancellor

SCHOOL'S ARTS PROGRAM DESCRIPTION

The performing arts department at The High School for Enterprise, Business and Technology (EBT) is one of the biggest and best in NYC. We have four full concert bands, two jazz bands, music theater, and numerous chamber groups such as guitar ensemble and Latin jazz band. Students have the option of majoring in music. Over 600 students receive music instruction each day. The instrumental, theater, and general music programs draw from all three schools in the campus and allow students to perform at their ability level regardless of age or experience. All musical ensembles compete annually at the NYSSMA festival where they have received Gold and Gold with Distinction awards. In addition to our performing groups, students may take classes in technical theater which prepares students for jobs in the entertainment industry focusing on stage direction, lighting and sound. Our visual arts department offers students instruction in the foundations of drawing and painting. Advanced students may move on to studio art classes and Advanced Placement Art History. Students are given the opportunity to participate in the All City High School Concert Band and Marching Band both of which are hosted at the Grand Street Campus.

Note: With the shift to remote learning in March 2020, NYSED waived the unit of study instructional time requirements for the remainder of the 2020-21 school year. While schools were expected to maintain instructional continuity in students' programs, there was no expectation for schools to provide a specific amount of arts instructional time to their students during that period of time. Therefore, information on instructional hours provided to elementary school students are not included in the individual arts reports this year.
