Dear School Community,

The individual *Annual Arts in Schools Report* is an integral part of the NYC Public School's efforts to ensure that schools are providing students with high-quality arts education and experiences that they need and deserve. The report has been created to help school leaders, teachers, and families understand how they can improve students' learning in the arts. It provides a view of the arts education opportunities that your school has for your students, based on data from the *2022-23 Annual Arts Education Survey* and from NYC Public School databases.

In unity,

## SCHOOL'S ARTS PROGRAM DESCRIPTION

P.S. 21 Q The Edward Hart School provides a well-rounded arts curriculum that is culturally responsive and accessible to all students. Our visual arts exhibits on display throughout the school building demonstrate our commitment to aligning with culturally responsive education and social emotional learning. Our music students participate in Carnegie Hall's Ensemble Connect program. This program focuses on multiple music genres, composition and introducing students to playing instruments Each year our dedication to the arts is further developed through a variety of cultural affiliations. This year we are proud of our partnerships with Carnegie Hall, Inside Broadway and Flushing Town Hall. In an effort to continue to build partnerships with cultural arts organizations, we applied for and were awarded the 2022-2023 Arts and Family Engagement Grant. We have also received funding for arts programs graciously from our councilwoman. We are ecstatic to continue to grow our cultural exchange through the arts nights and concerts to our school building this year. The arts department looks forward to re-establishing our in-school collaborations to bring our community a multitude of showcases in the following school year.
