

RICHARD BLAND COLLEGE  
&  
BRIDGEWATER COLLEGE

*This information is excerpted from the Bridgewater College website. No class-by-class transfer guide/degree evaluation currently exists.*

**How will I know which credits transfer?**

Most courses for which there are comparable courses at Bridgewater College, and in which a grade of 'C' or better was earned will receive credit. It may also be important for you to know which of your courses will satisfy general education or major requirements and which may come in as electives. Upon request through the Transfer Counselor, our Registrar will provide a credit evaluation for you prior to admission.

**How many credits may I transfer?**

A minimum of 123 credits must be earned to graduate, 48 of which must be junior-senior level courses. If you are transferring from an accredited two-year college, you may transfer as many as 68 credits. If you wish to transfer from a four-year institution, at least 27 of your last 30 credits must be earned at Bridgewater College, and at least nine of your major credits must be completed at Bridgewater.
