

Your **Riverside**

Your local update – Liverpool East June 2024

Kingsheath in Bloom Update

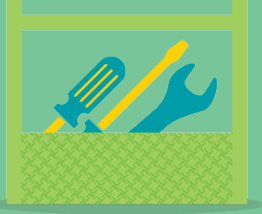

Action Day

On Wednesday, 12th June 2024 we will be holding another tidy-up day in Kingsheath Avenue. This will include a number of community skips, litter-picking and tenancy enforcement on untidy gardens. We will also be distributing the garden starter packs to those households who have entered the Gardening Competition. We will contact those concerned beforehand. We will also have a number of Riverside teams out also providing help and support (see over for further details). Come and see us!

A Splash of Colour!

Depending on the weather conditions we will also hopefully be helping to paint some fences for those in the competition also. Above are a couple of examples of fences recently painted and these certainly add a splash of brightness to the area.

1 Support Teams

We will be based on the small green area opposite 2 Kingsheath Avenue. Come and see us between 10am & 1pm.

2 Housing Issues

We have two Housing Officers covering Kingsheath Avenue, **Tony & Vinnie**. Both will be on hand to help you with any housing matters you have.

3 Tackling ASB

If you have any concerns about anti-social behaviour come and talk to **Kevin & Patty** from our Customer Safety team.

4 Employment & Training

Looking for work or training – come and talk to **Julie** about opportunities and available support into work.

5 Money Matters

Need any help with welfare benefits, affordable warmth / energy or money advice then **Paul** is waiting to talk to you.
