Your local update – Langley Five updates for Summer 2024

Welcome

We understand how important it is that you are kept up-to-date and informed with everything that is happening in your community so here is the first of our new local newsletters specific to Langley Estate.

The Langley team is situated at Riverside's office in the middle of the Langley Estate. We have a fantastic, diverse team of Housing officers, Sustainability officers and Evolve officers working hard to ensure that all neighbourhoods and communal areas are clean, safe, and attractive.

Riverside strives to provide excellent services to those communities and want the neighbourhoods to be places where you want to live. Over the page you'll find some information which we hope you find useful and informative, and we look forward to seeing you on our patch walks or at our housing surgeries over the coming weeks.

2 Local event

It's always good to talk! And our Let's Talk campaign is designed to help you with a range of common issues like rent, money, energy, jobs and training. Just click on the links above to get started and make an appointment to speak to us. Or give us call and just say "let's talk". Just call us or visit www.riverside.org.uk/letstalk to get started

3 Tackling ASB

After several reports of motorcycles on Lakeland Court, we've been working in partnership with the police. This led to the police successfully seizing a number of bikes and visiting a number of parents of young people who were causing concern. We take reports of Anti-Social Behaviour seriously and your Housing officer will investigate reports of nuisance behaviour. For more information or to report ASB, visit www.riverside.org.uk/asb
