Your local update – Langley, August 2024

## Food in focus

### Make like Marley – try Well-Fed Langley!

Young Marley (pictured right) loves our Well-Fed meals – maybe you could get the taste for it too?!

This little superstar has enjoyed Beef Massaman Curry and more exciting meals through our Well-Fed Langley programme which is really getting underway now, with families across the area benefitting from their marvellous meal boxes and more.

So why not give it a try? The first four weeks are free, and the food is healthy and supports local food producers

## Skip-day success

We had a fantastic response to our recent skip-day designed to help prevent fly-tipping and keep the estate looking clean and tidy. Thank you so much to everyone who came along. We'll definitely be holding another event soon so, if you're doing some DIY – or just have things you want to get rid of - stay tuned for news.
