Assemble the Half-Square Triangles (HSTs)

Step 1: Pair a 5" Fabric A square with a 5" Fabric B square, RST. Mark a diagonal line on the wrong side of one square. Sew 1/4" away from both sides of the marked line. Cut on the marked line, creating two half-square triangles (HSTs). Press toward the darker fabric. Trim to 4-1/2" square. Repeat to make twenty-nine A/B HSTs. Note: one HST will be left over.

Assemble the Quilt

Step 4: Gather and arrange the squares and HSTs in rows, following the Quilt Assembly Diagram for fabric placement and HST orientation. Sew the quilt top together in rows. Note that in some instances, there are rectangles that take the place of several squares in a row. It is recommended to lay out each row, or make a stack for each row, before sewing any rows together to ensure that all pieces are in the correct rows. Press the block in opposite directions every other row so that the rows nest when sewn together.

Step 5: Sew the Fabric A border to the top of the quilt and press. Sew the Fabric G border to the bottom of the quilt and press.

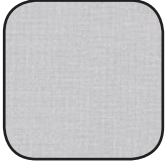

Your quilt top is complete. Baste, quilt, bind and enjoy!
