Capital Letters and Full Stops

Oh dear! George has forgotten all about capital letters and full stops. Can you rewrite each sentence and put them in for him? Think hard!

1. i am a boy called george

.....

2. my friend roy is a singing zebra

.....

3. we are looking for his herd

.....

4. we met lenny the pig

.....

Well done!

Now can you write a sentence leaving out the capital letters and full stops, and ask your partner to write it correctly.
