## *Motivated opinion*

The Nomination Committee has discussed the size and composition of the Board, the needs for industry experience, competence and diversity and the company's operations. Special emphasis has been placed on the requirements that the company's focus is considered to place on the Board. The Nomination Committee has had three recorded meetings, one of which was held by written resolution. In addition, the Nomination Committee has also had a number of e-mail and telephone contacts on various issues and interviewed a number of directors of the Board. As a basis for its work, the Nomination Committee has also taken part of the Chair of the Board's report on the Board's work and the company's operations. The Nomination Committee has considered the importance of each board member being able to devote sufficient time and resources to the assignment as a director of the company.

In view of the above motivation and report, the Nomination Committee proposes that the ordinary directors Hans-Holger Albrecht, Jonas Tellander, Jonas Sjögren, Helen Fasth Gillstedt, Joakim Rubin, Richard Stern, Rustan Panday and Malin Holmberg and that Hans-Holger Albrecht is re-elected as Chair of the Board and Jonas Tellander as vice Chair of the board.

Overall, the Nomination Committee believes that the proposed directors with their respective experiences will provide the Board with valuable competence and experience that

corresponds well to the company's needs and that they all have the time available to fulfill the assignment.

The company's shareholders have had the opportunity to submit proposals to the Nomination Committee. The Nomination Committee has not received any such proposal.

Regarding independent members, the proposed composition of the board meets the requirement to be listed on Nasdaq First North Growth Market.

The Nomination Committee has also reviewed the current Nomination Committee instructions during its work, which was adopted at the 2020 Annual General Meeting, and does not propose any changes to the same.
