

St. Patrick *of Heatherdowns* CATHOLIC SCHOOL

PRE-KINDERGARTEN PROGRAM

We are an accredited Pre-Kindergarten program through the State of Ohio, with a 1:10 ratio per classroom.

Children grow and gather knowledge most effectively through concrete and actual experiences. Therefore, our goal is to create a stimulating "play" environment rich in hands-on opportunities for each child. The curriculum is designed to meet the needs of the whole child.

- Our Pre-Kindergarten program is open to students who are three (3) years of age by March 31st of the upcoming school year.
- We offer an all-day program from 8:30AM - 3:00PM and a half-day program from 8:30am - 11:00am.
- All-day pre-K students may use our Extended Day Program both before and after school. Half day Pre-Kindergarten students may use our Extended Day Program only in the morning prior to the start of school.
