H.E. Mr. Cheikh Niang

President,

Committee on the Exercise of the Inalienable

Rights of the Palestinian People

United Nations

Monday, May 15, 2023

Managua, Nicaragua

Your Excellency,

Allow me to express on behalf of our Government of Reconciliation and National Unity, our President, Comandante Daniel Ortega Saavedra, our Vice President, Compañera Rosario Murillo and on behalf of the Nicaraguan people, as well as myself, our most sincere congratulations on the historic achievement of commemorating for the first time, in the United Nations General Assembly, the 75th Anniversary of the Nakba.

On this Day, we remember the hundreds of thousands of Palestinians who were dispossessed of their land overnight, fleeing into uncertainty and leaving their lives behind in the face of the imminent destruction of what, for many years, were their homes.

75 years later, the peoples of the world still reiterate their support for one of the most just causes of our times.

Nicaragua reaffirms to you and to the Palestinian people our solidarity and full support in the struggle to ensure respect and effective exercise of the legitimate right to freedom, self-determination, national sovereignty and territorial integrity of the State of Palestine, recognizing the borders prior to June 4, 1967, with East Jerusalem as its capital.

We are convinced that the longed-for Peace and Stability in the Middle East will only be achieved by resolving the inalienable Rights of the Palestinian People in accordance with the relevant

United Nations Resolutions and the desires of the  
Peace-Loving Peoples.

May the Peace, Mercy and Blessings of God be with  
you and the Noble People of Palestine.

Denis Moncada Colindres  
Minister of Foreign Affairs  
Republic of Nicaragua
