## LED Edge Light Poster Frame

LED edge light poster frames offer fantastic illumination and a super slim frame profile. Our LED light boxes are just 22mm deep. Because these light boxes are low voltage the power consumption is a fraction of traditional fluorescent tube powered light boxes. This is the environmental friendly light box which will save you money on running costs.

- *Super slim frame - Only 22mm!*
- *Energy saving LED illumination technology*
- *Snap open frame for easy graphic change*
- *High illumination and even light distribution*
- *1mm protective poster cover*
- *Silver anodised aluminium frame*
