

Two networks. Endless possibilities.

Thanks to the partnership between Virgin Australia and Singapore Airlines, you can enjoy seamless travel across four continents and access to more frequent flyer benefits.

A rewarding partnership like no other

For Velocity Frequent Flyers and KrisFlyer members, our partnership offers great value and reciprocal awards including:

Seamless Baggage Transfer

Worry-free travel with baggage through-checked for initial departure to final destination.

Loyalty Benefits

The frequent flyer partnership means you can earn, redeem and convert points/miles between both reward programs.

Lounge Access

Qualifying members can relax before flights with refreshment facilities at applicable lounges.

velocity
frequent flyer

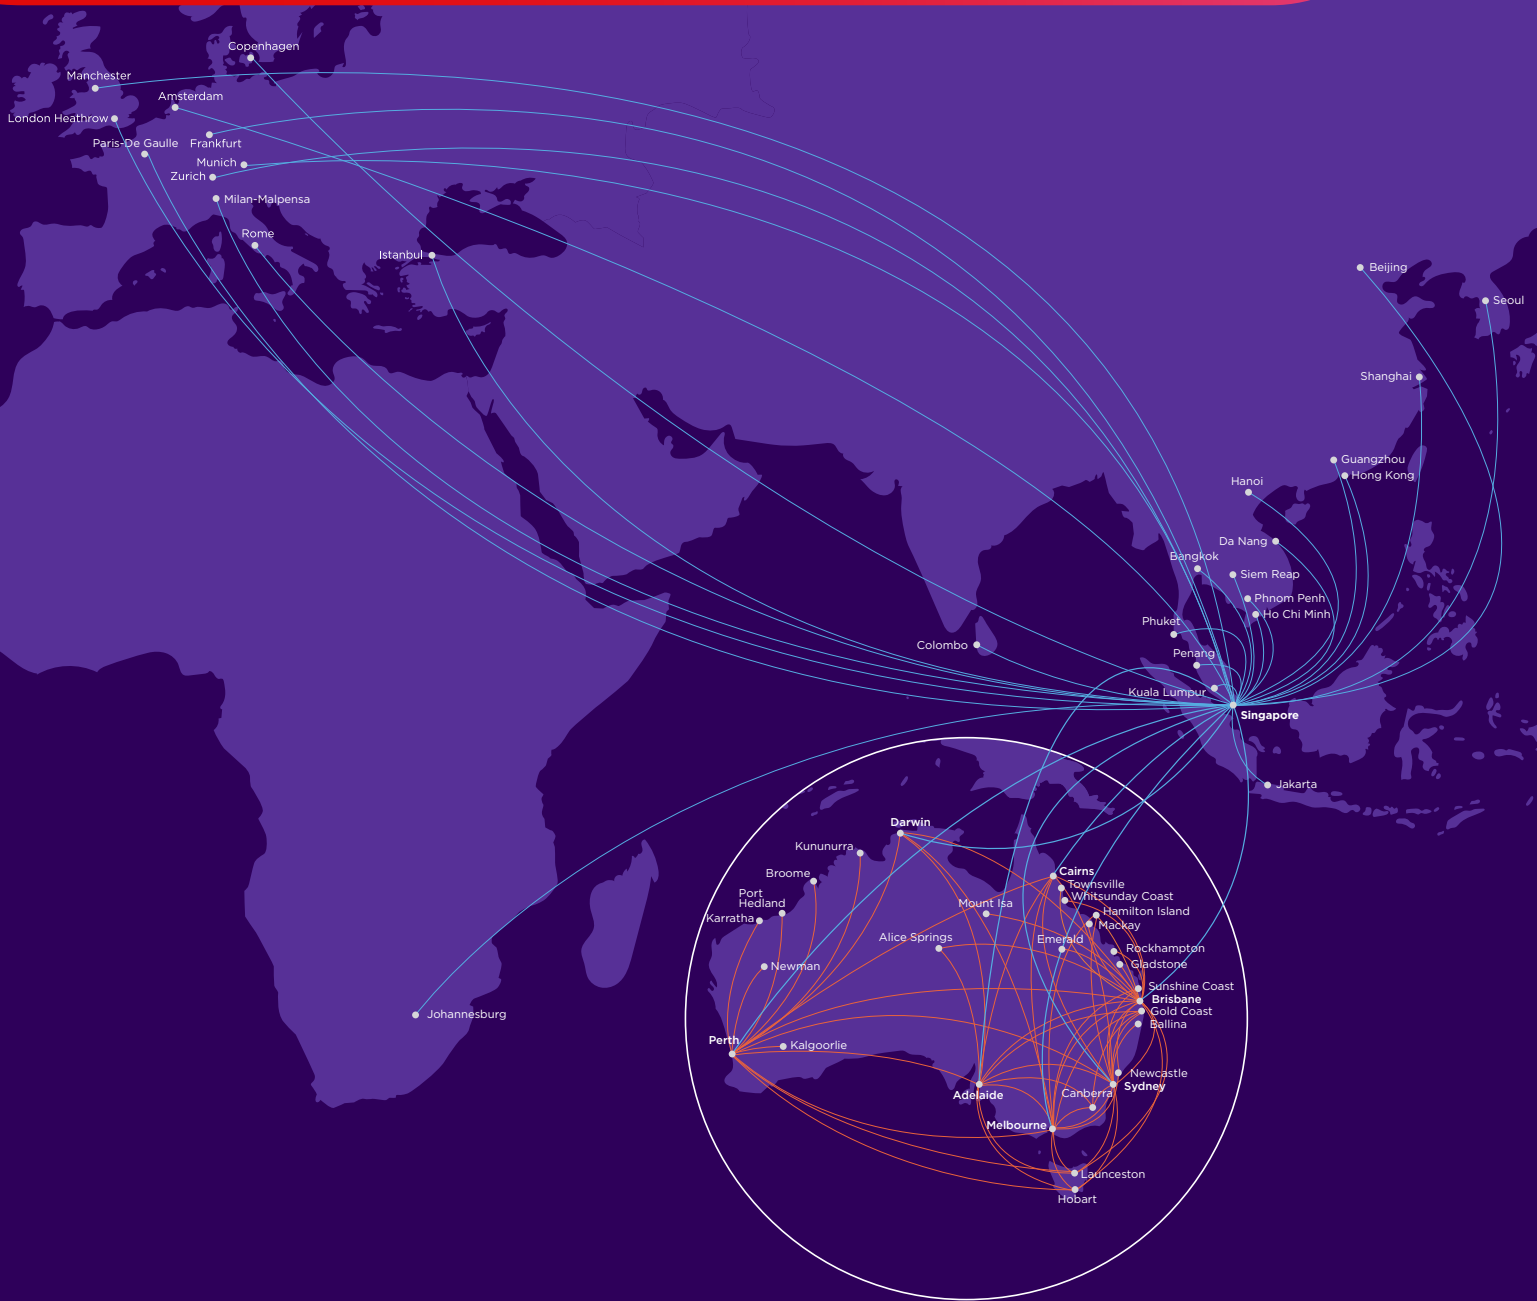

Velocity members can earn and redeem their Points, plus earn Status Credits on Singapore Airline's international network. Members who are Gold, Platinum and above also enjoy priority check-in, baggage and boarding where available and access to Singapore Airlines' international lounges for themselves and a guest.

KRISFLYER
SINGAPORE AIRLINES GROUP

KrisFlyer members can earn and redeem their miles on all Virgin Australia operated services. KrisFlyer Gold and PPS Club members enjoy priority check-in, baggage and boarding where available and same-day entry into Virgin Australia operated lounges for themselves and a guest.

Discover our expansive network

Our vast domestic and international network covers all major hubs across Australia, Africa, Asia and Europe. Whether for work or play, you can travel on a single ticket with baggage that automatically stays with you. It's rewarding travel, without the hassle.
