

Two great airlines. United as one.

Virgin Australia and United Airlines have joined forces to make travel between Australia and the USA an uplifting and rewarding experience.

Together we're giving our customers premium access to both sides of the Pacific.

It's a relationship built on rewards

For Velocity Frequent Flyers and MileagePlus members, our partnership offers great value and reciprocal rewards including:

Convenience

A single ticket covering your domestic and international connections with seamless baggage transfer

Comfort

Two in-flight experiences with premium cabin and entertainment options

Premium

Access to lounges and priority perks for Velocity Gold, Platinum and Beyond members and Business Class passengers

velocity
frequent flyer

Velocity members can earn and redeem their Points, plus earn Status Credits on United's network worldwide*. Gold and Platinum members also enjoy priority check-in, boarding, baggage and security where available; additional baggage allowance; same-day access to over 45 United Club lounges including domestic lounges in the USA when a domestic US flight is booked on the same ticket as an international flight. www.velocityfrequentflyer.com

UNITED
MileagePlus

MileagePlus members can earn and redeem their miles on all Virgin Australia operated services. Premier Gold members enjoy priority check-in, boarding, baggage and security; additional baggage allowance; and same-day entry into Virgin Australia operated lounges where available. www.mileageplus.com

One ticket to two great lands

Fly non-stop daily from Australia's east coast to San Francisco, Los Angeles and Houston (from 29 November) with United Airlines. We're uniting 23 of the hottest cities Down Under with 26 of the USA's top destinations, with additional destinations across the USA and beyond coming soon.
