Make school group travel easy and affordable

At Virgin Australia, we understand the intricacies of school group travel and we have created a specialist education travel team to support you with your primary, secondary or tertiary education travel requirements.

Fare conditions have been designed to meet the specific needs of group bookers organising educational trips, with greater flexibility at a competitive price. If your education group is travelling for a sporting event or music tour, our fare conditions are tailored to provide you with the support needed when travelling with additional equipment and baggage to ensure you perform at your peak.

On the day of travel, save valuable time and breeze through airport formalities by using our group online check-in prior to arriving at the airport, to make your travel experience seamless and easy.
