Make the Blocks

1. Make (9) copies of the large square unit pattern on foundation paper. Make (36) copies of the diamond unit pattern on foundation paper. Make (36) copies of the small square unit pattern on foundation paper.

2. Referring to the large square unit diagram, use paper piecing techniques to add fabric pieces #1a-#9a in numerical order. Trim on the dotted lines to make a 12-1/2" large square unit. Make (9).

3. Referring to the diamond unit diagram, use paper piecing techniques to add fabric pieces #1b-#5b in numerical order. Trim on the dotted line to make a 6-1/2" x 12-1/2" diamond unit. Make (36).

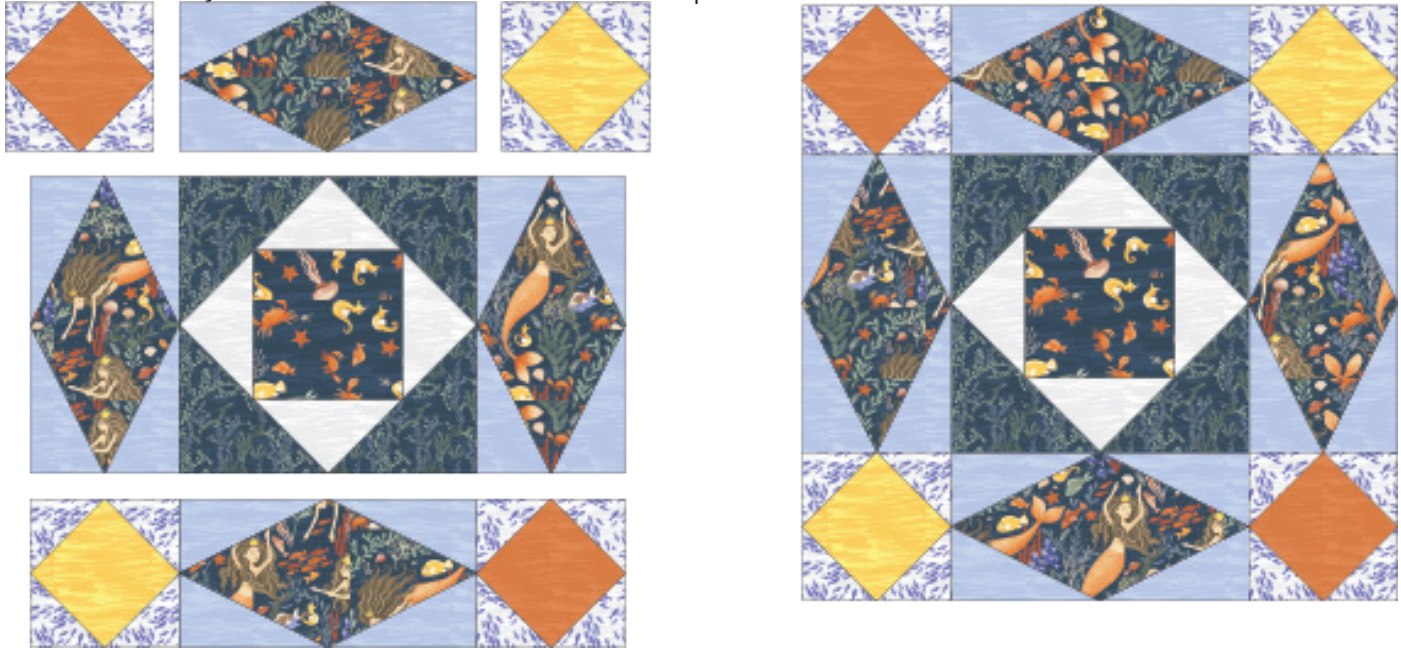

4. Referring to the small square unit diagram, use paper piecing techniques to add fabric pieces #1c-#5c in numerical order. Trim on the dotted line to make a 6-1/2" small square unit. Make (18) with G centers and (18) with H centers.

5. Referring to the Block Diagram, lay out one large square unit, (4) diamond units, (2) G small square units, and (2) H small square units into (3) rows of (3) units. Sew the units into rows and join the rows to make a 24-1/2" square block. Make a total of (9) blocks.

Assemble the Quilt

6. Referring to the Quilt Layout Diagram on page 4, lay out the blocks in (3) rows of (3) blocks each, noting orientation. Sew the blocks into rows and join the rows.

7. Sew the (8) 2" x WOF G strips short ends together into a long strip. Measure the quilt lengthwise across the center and cut (2) strips to that length. Sew to the sides of the quilt center. Measure the quilt widthwise across the center and cut (2) strips to that length. Sew to the top and bottom of the quilt center.

8. In the same way, use the (9) 4-1/2" x WOF B strips to add the outer border.

Finishing

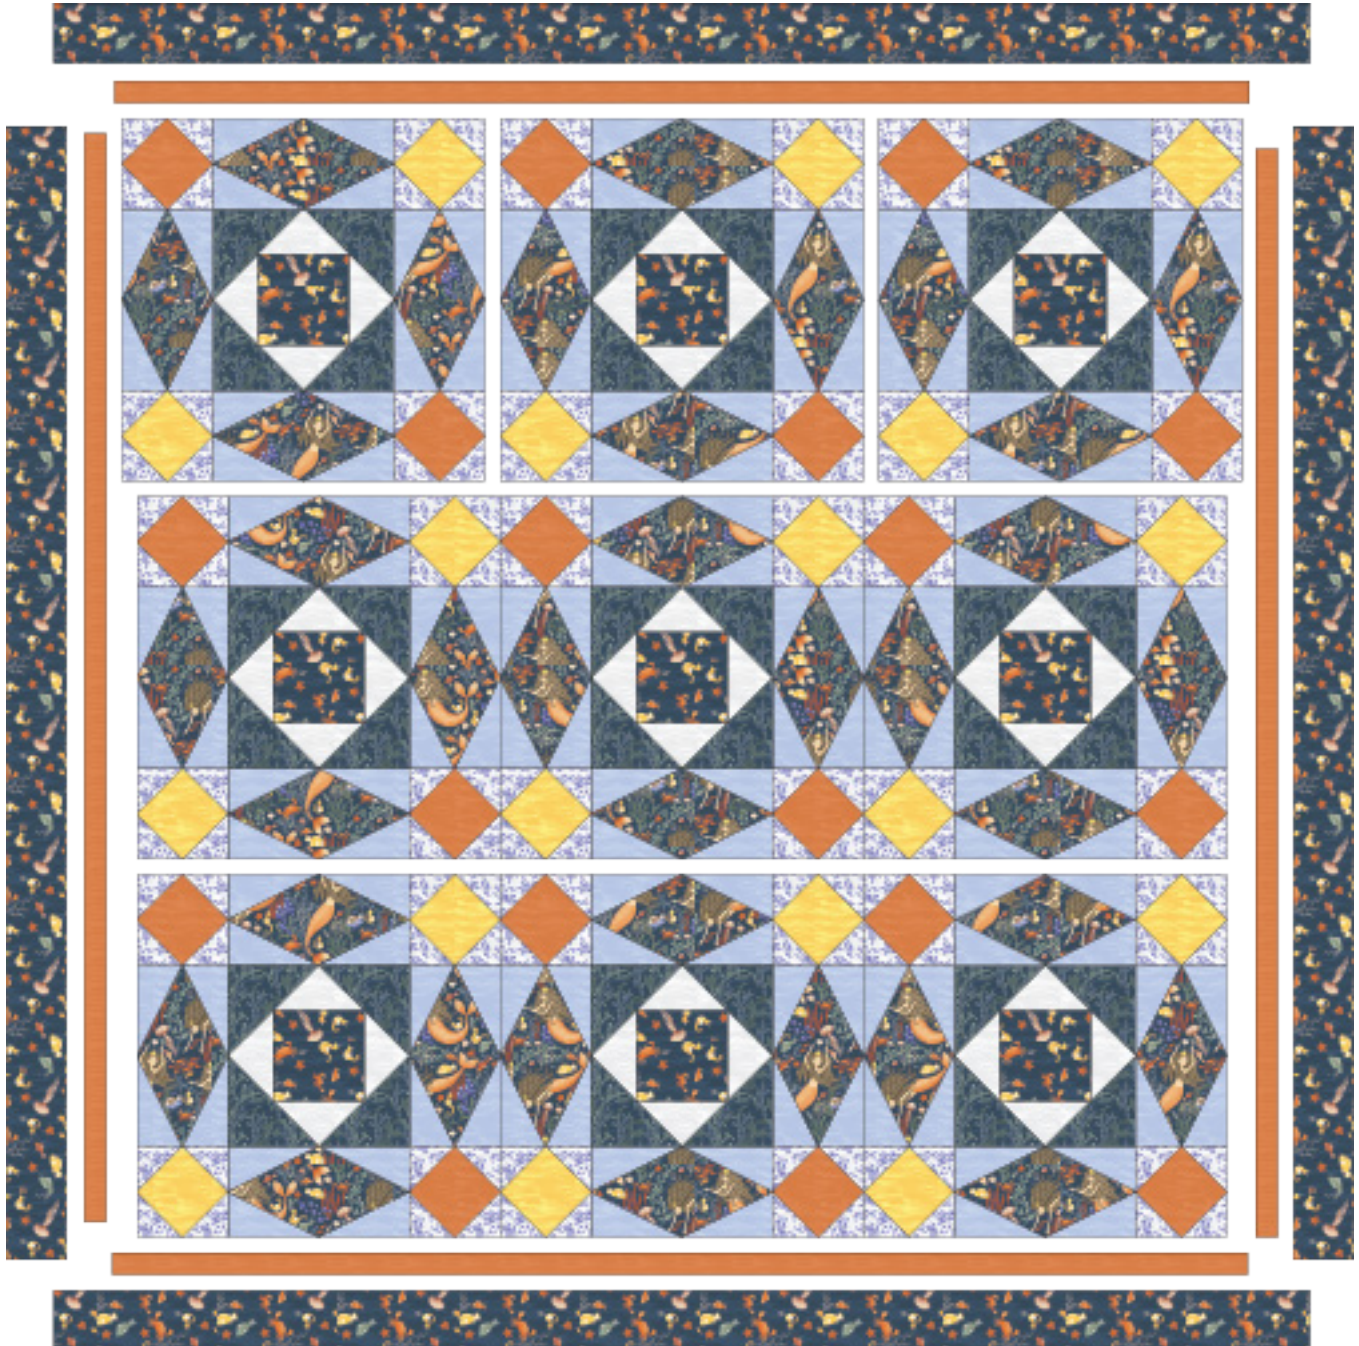

9. Layer the backing fabric, batting and quilt top to form a quilt sandwich. Baste the sandwich and quilt as desired.

10. Use the (9) 2-1/4" x WOF G strips to bind the quilt.
