

The roots of obesity run deep

Together we can create a healthier future.

To have a real impact on obesity, we need to work together to address its many root causes throughout society. Simplifying the disease to any one cause can make treating it even harder. So we must raise awareness and improve access to the appropriate information.

Let's work together to combat the root causes of obesity.

1 **BIOLOGY**
To have a real impact on obesity, we need to work together to address its many root causes throughout society. Simplifying the disease to any one cause can make treating it even harder.
