“

What an impact you have made on the lives of these children!”

BUILDING CONFIDENCE

Eight year old Jackson Fox participated in the Y’s youth basketball program shortly after moving to Naples, Florida from Connecticut. Without any new friends, Jackson had a hard time adjusting to his new surroundings. After a few months of living in Naples, Jackson joined the basketball team, his first attempt at playing the sport. With weekly practices, games and something to look forward to, Jackson’s confidence quickly took off!

“Being on a team with great coaches and kind and friendly children really helped Jack adjust so please let your children know that kind words and team sports can really make a difference in someone’s life. Big win aside, we truly appreciate everyone for helping us with this transition.” - Susan Fox

BUILDING CHAMPIONS YOUTH SPORTS

Each year, thousands of area youths participate in sports leagues at the Greater Naples YMCA. When kids play sports they do more than just exercise. Besides being physically active, they develop higher self-esteem, perform better in school and work better in groups. Youth sports leagues at the Y teach kids the fundamentals of the game while emphasizing the importance of teamwork.

BENEFITS OF SPONSORSHIP

- Satisfaction of helping youth be involved in wholesome activities.
- Satisfaction of helping the Y fulfill its mission of building strong kids, strong families & strong communities.
- Great marketing tool!
 - Your name on the shirts of each team that you sponsor.
 - Shirts are seen by thousands of people at games, school and other places.
 - Kids wear shirts year-around, even after the season is over.

HOW DONATIONS ARE USED

The Y relies on the generosity of local businesses to help underwrite the costs of its youth sports leagues through sponsorships. Y sponsorships help lower the cost of our sports programs so that we can ensure the lowest possible fees for our participants.

YOUR DOLLARS AT WORK

- Subsidize the cost of t-shirts
- Purchase supplies/repair of equipment
- Lower Program Fees
- Ensure more children can participate

ACTIVE KIDS DO BETTER IN LIFE

Reduced risk of **Heart Disease, Stroke, Cancer and Diabetes.**

15%  more likely to go to college.

Score up to **40% HIGHER** on test scores.

 Less likely to **smoke or use drugs.**
