MOSTYN LAW ATTORNEY RENE SIGMAN NAMED TO SUPER LAWYERS LIST FOR FOURTH STRAIGHT YEAR

Houston attorney Rene Sigman has been listed as a Super Lawyer for the fourth straight year.

HOUSTON, TEXAS - MARCH 26, 2014 - Rene Sigman, an attorney for the Houston-based Mostyn Law, has been named a Rising Star on the prestigious Super Lawyers list for the fourth consecutive year.

Compiled by Thomson Reuters, the Super Lawyers list includes attorneys across Texas based on professional evaluations and peer analysis. Super Lawyers ultimately recognizes less than five percent of all attorneys in the state while the Rising Star designation applies to less than 2.5 percent of Texas attorneys. Sigman was noted for her accomplishments in "insurance coverage" and has been named a Super Lawyer every year since 2011.

"It's an honor to be selected by my peers and the legal community for doing a job that I love," Sigman said. "It's not work to me; I truly feel this was something I was born to do. It is my life and my calling and I love every aspect of what we do for our clients. To be honored is always flattering but also humbling as I know there are many great lawyers with the same passion."

The past year has been exciting for Sigman. She successfully handled a first party bad faith trial as a co-counsel that resulted in a favorable judgment for her clients. In addition to being Head of Litigation for the Firm, Sigman has also been serving as the plaintiffs' liaison counsel on cases related to Hurricane Ike and assisting on Hidalgo County hail storm claims.

"Working for Mostyn Law provides the opportunity to serve everyday people in big, meaningful cases," Sigman said. "I really enjoy coming to work and fighting for our clients. Helping someone recover and rebuild after dealing with devastating loss or hardship is unbelievably rewarding."

A graduate of the South Texas College of Law, Sigman has been with Mostyn Law since 2001. She is currently a senior attorney and the Head of Litigation. Sigman has an undergraduate degree in business administration from Texas A&M University.

Beyond her day to day work at Mostyn Law, Sigman was an adjunct professor at South Texas College of Law from 2005 to 2008 teaching mock trial litigation. Sigman is a Houston native and member of the State Bar of Texas, the American Bar Association, Texas Trial Lawyers Association, and Houston Young Lawyers Association. She has also served on the board of trustees for Houston First Baptist Academy for the past four years and is chair of the community service project for Boy Scout Pack 789.
